

Minutes of 19th Meeting of the National Skills Qualifications Committee (NSQC)

Venue: National Skills Development Agency (NSDA), B-2, Pusa Road, Kaushal Bhawan, New Delhi 110005

The 19th meeting of the National Skills Qualifications Committee (NSQC) was held on February 05, 2018 at National Skill Development Agency (NSDA), New Delhi. Shri K.P. Krishnan, Chairman, NSDA and Secretary, Ministry of Skill Development and Entrepreneurship (MoSDE) chaired the meeting.

The list of participants is at **Annexure I**.

A brief presentation on the activities undertaken by NSDA to operationalize National Skills Qualifications Framework (NSQF) and important issues/challenges experienced during alignment of qualifications to NSQF was made before the Committee. Thereafter, the agenda items were placed for consideration and decision.

Agenda Item I: To confirm the minutes of the 18th Meeting of NSQC

1.1 The Committee approved the minutes of the 18th Meeting of NSQC.

Agenda Item II: Action Taken Report on the minutes of the 18th Meeting of NSQC

2.1 The Committee noted the action taken on the minutes on the 18th meeting of NSQC. The important issues discussed are as under:

- a.) NSDA informed NSQC that letters have been written to all State Government and Central Ministries requesting them to expedite NSQF alignment and share skill development schemes. The information has already been received from Jammu and Kashmir, Rajasthan, Chandigarh, Punjab, Sikkim, and Assam. A reminder letter is being issued in this regard. It was also informed that CEOs of all SSCs have been requested by NSDA to obtain requisite approval and comply with the statutory/regulatory requirements before submitting their Qualification Files to NSDA so as to expedite the process of stakeholder consultation and placing them in NSQC without any delay.
- b.) The members were informed that NSDA in consultation with National Informatics Center (NIC) has begun the proposal to develop a digital portal for online NSQF alignment to make the system more transparent and check duplication.
- c.) State Skill Development Mission (SSDM), Tripura requested NSQC to allow Assessment and Certification rights of NSQF aligned Qualifications to State Government designated bodies to improve quality and expedite the training

process. The Government of West Bengal, SSDM, Gujarat and National Institute of Ministry of Small and Medium Enterprises (MSME) had also made similar demands to NSDA through letters. This issue was also discussed in the 17th meeting of NSQC (Agenda Item 5) so that multiple agencies can adopt the NSQF aligned Qualifications uploaded on National Qualification Register (NQR). However, Joint Secretary Dept. of School Education and Literacy (SE & L) opined that Sector Skill Council (SSC) should have assessment and certification rights as the course and qualification is prepared by them. The Chairman, NSQC directed that there could be lack of employer connect if assessment and certification rights are transferred from SSCs to Government agencies. The Committee directed NSDA to have broad-based consultation in this regard.

- d.) Mission Director, Rajasthan Skills and Livelihoods Development Corporation (RSLDC) indicated that many approved Qualification Files in NQR does not contain the accreditation or assessment norms of Submitting Bodies. This delays the empanelment of Training Providers (TPs) and assessment. The Chairman, NSQC concluded that NSDA will revisit all the Qualifications in NQR to identify the incomplete Qualification Files and advise Submitting Bodies to incorporate accreditation norms within 02 months, failing which such Qualification Files would be withdrawn from NQR. The status report is to be placed in next NSQC.
- e.) The members were informed that NSQC is the Competent Authority to license and regulate the SSCs. However, only 06 SSCs have taken approval of NSQC. The Chairman, NSQC directed NSDA to hold a meeting with CEOs of all the SSCs within one month to apprise them on all the regulatory responsibilities of NSQC.
- f.) On the issue of duplication of Qualifications, the members were informed that NSDA has already constituted a Committee and NIC is also developing algorithm based software to identify duplication digitally. NSQC directed NSDA to verify the approval of all relevant authorities, content/domain knowledge, etc. in addition to comparison with title name and National Occupational Standards (NOSs) of Qualification Files uploaded on NQR. The Chairman, NSQC directed NSDA to form sectoral teams and co-opt Domain Experts to complete the task in a time bound manner. The SSCs may be invited to respond/clarify the query of such teams. The final status is to be placed in NSQC in future.
- g.) The Chairman, NSQC directed that the core members of NSQC must be provided with complete Qualification Files including accreditation norms, assessment criteria, model curriculum etc. in addition to agenda notes. He also directed that NSDA should ensure that complete Agenda notes are given to core members of NSQC, atleast 02 weeks in advance.

With above observations and decisions, the Committee approved the action taken by NSDA on the minutes of the 18th meeting of NSQC.

Agenda Item III: To consider the Qualification Files received from Submitting Bodies

- 3.1 The members deliberated on the files presented for approval of NSQC. It was decided that all the Qualifications of Directorate General of Training (DGT) which are time tested and have been running for several years are accorded in-principle approval. DGT would constitute a core committee to realign the existing qualifications in terms of NSQF requirements and place 50 percent of such Qualification Files in the next NSQC followed by placing remaining 50 percent in the subsequent NSQC.
- 3.2 Joint Secretary, Dept of Financial Service informed that Indian Banks' Association (IBA) conveyed deployment of Loan Processing Officer is from among their probationary officers only. However, it was informed that Banking Financial Services and Insurance (BFSI) SSC Qualification of 'Loan Processing Officer' is primarily for non-banking financial institutions in the private sector and there is demand for these qualifications.
- 3.3 Assistant Commissioner, Department of Animal husbandry, Dairy and Fisheries, Ministry of Agriculture requested for expeditious alignment of Qualification Files submitted by Agriculture SSC. It was informed that during the stakeholder meeting held on 2nd Jan 2018. The opinion and concurrence of the Line Ministry was requested. The NSQC accorded in-principle approval to the following files of Agriculture SSC subject to the concurrence of Line Ministry:

S.No	Name of the Qualification	Level
1	Hatchery Operator	3
2	Chick Sexing and Grading Technician	4
3	Layer Farm Worker	3
4	Poultry farm manager	7
5	Poultry feed, food safety and labelling supervisor	5
6	Poultry shed designer	6
7	Small poultry farmer	4
8	Forest Nursery Raiser	4
9	Medicinal Plants Grower	4
10	Aquaculture Worker	3
11	Nursery Worker	3
12	Assistant Gardener	3
13	Greenhouse Operator	3
14	Mushroom Grower	4
15	Organic Grower	4
16	Packhouse Worker	3

3.4 The National Skill Development Corporation (NSDC) requested to consider the 03 Qualification Files of Textile and Handloom SSC namely

S.No	Name of the Qualifications	Level
1	Powerloom Operator	4
2	Two Shaft Handloom Weaver	4
3	Jigger Machine Operator	4

These Qualifications have optional additional NOS 'Solar Power Drive Attachment' of 30 hours. The Committee accorded in-principle approval to 03 Qualifications subject to its concurrence from the Line Ministry or technical committee of the Line Ministry.

3.5 The NSQC approved 73 Qualification Files as per the list at **Annexure II**

Agenda Item IV: To consider the revised Qualification File template for NSQF alignment

4.1 The Committee appreciated the revised template and accorded approval of the template (**Annexure III**) and Industry Validation Performa (**Annexure IV**) with direction to place it on NSDA portal and also inform the stakeholders.

4.2 The Committee also directed NSDA to prepare a self contained Hand Book on NSQF alignment with all necessary performas, documents and time lines for easy understanding of the NSQF alignment procedure.

Agenda Item V: To consider the process of review of already aligned Qualifications uploaded in NQR

5.1 The Committee accorded approval to the proposal to review the Qualification File uploaded in NQR whose review date has expired or is expiring by December 2018. The Submitting Bodies would be informed to provide the certified data to NSDA within 30 days from the date of issue of the minutes of the 19th NSQC as per the form at **Annexure V** and status report is to be placed in next NSQC.

Agenda Item VI: To consider broad basing of Qualifications given by Submitting Bodies

6.1 The Director, Ministry of Labour and Employment (MoLE) raised the concern over narrow job roles while giving examples of the Qualification Files wherein the job roles were primarily similar but 2-3 Qualification Files with different NCO coding was submitted to NSQC. It was, therefore decided that this issue may be

examined in detail by NSDA and the Committee constituted in NSDA for mapping of NCO code may also look into this aspect. The Committee of NSDA may also seek advice of MOLE.

Agenda Item VII: To consider the methods for assigning NSQF level to Qualifications

- 7.1 The Committee deliberated the agenda and sectoral representatives from Ministry of Health and Finance highlighted the need for review of level of Qualification already approved and uploaded on NQR in addition to the future qualification.
- 7.2 Ministry of Health informed that they have done a detailed exercise on the leveling of paramedic courses and NSDA can consider those criteria wherever appropriate. It was decided that NSDA would undertake a detailed study of international best practices and present a paper on method for assigning of levels to NSQF aligned qualifications to make it objective and transparent for the stakeholders.

Agenda Item VIII: To consider the process of NSQF alignment for up-skilling

- 8.1 The Committee was briefed about the outcome of the two meetings held in NSDA on upskilling. The Director MSME informed the members about the requirement of NSQF alignment of upskilling courses undertaken by MSME which primarily fall under the category of training while student is in college, training along with the job and also induction training for certain industries. Based on discussion, the Committee decided that MSME courses for upskilling are not Skill Development programs per se and directed NSDA to obtain the proposal of MSME for placing before the Common Norms Committee for seeking exemption of these courses under the Common Norm notification.
- 8.2 The committee directed NSDA to prepare the framework including definitional aspects for upskilling and submit a report.

Agenda No IX: To consider the process of NSQF alignment for Multi skilling qualifications

- 9.1 The members were briefed about the multi skilling courses submitted for consideration which primarily are to be taught in school as part of vocationalization of school education. The Joint Secretary, Government of

Maharashtra informed the members that these Qualifications are need-based requirement to be taught in schools of Maharashtra.

9.2 The Committee approved the Qualifications

Agenda No X: To consider NSQF alignment for Qualifications which have NCO mapping but are entrepreneurial in nature

- 10.1 The Committee approved the proposal to consider NSQF alignment of such Qualifications where learning outcome are identifiable and can be mapped to NCO codes even if such Qualifications are entrepreneurial in nature. The decision taken in the 16th meeting of NSQC stands amended to this extent.
- 10.2 The Committee also advised NSDA to hold consultation with MOLE with respect to NCO codes being given to Qualifications approved by NSQC.

The meeting ended with vote of thanks to the Chair.
