**Office Order**

**Subject: Removal of Age Criteria from NSQF-aligned Qualifications and Retention Only in Exceptional Cases – reg.**

1. The National Skills Qualifications Committee (NSQC), in its 43rd meeting held on **8th May 2025**, approved the withdrawal of age criteria from all NSQF-aligned qualifications, except in cases of **hazardous occupations, statutory/legal requirements, or other special justifications**.
2. In pursuance of this decision, Awarding Bodies (ABs) were requested to submit qualifications where retention of age criteria was considered essential, along with due justification.
3. Based on the submissions received, a total **786 qualifications** of 33 ABs have been identified for which retention of age criteria has been sought. The primary justifications for age criteria retention relate to statutory compliance (e.g., Mines Act, PSARA Act, Arms Act, Motor Vehicles Act, etc.), workplace safety considerations, hazardous job roles, technical/operational requirements, and the cognitive, physical, and emotional maturity required for specific occupations. The **list of all such qualifications** for which age criteria shall be retained is placed at **Annexure-I**.
4. Accordingly, the following shall apply:
  - a. Age criteria shall be **removed** from all NSQF-aligned qualifications **except** those listed at **Annexure-I**.
  - b. For the following cases age related eligibility criteria may be relaxed:
    - i. Where mandated by statutory provisions,
    - ii. Other exceptions like workplace safety consideration, hazardous job roles, cognitive, physical, and emotional maturity etc.
  - c. For both (i) and (ii) above, **NSQC approval shall be required**.
5. All Awarding Bodies, and State/Central Ministries implementing skill development programmes, are directed to comply with these instructions.

Director, NCVET
