**5. AGENDA ITEM NO 05: Request Proposal to Grant Special Permission for the Job Role 'Field Technician - Other Home Appliances (FTOHA)' of Electronics Sector to be Implemented in Grade 9 & 10 During Academic Session 2022-23**

5.1 The qualification 'Field Technician- Other Home Technician' (**FTOHA**) was originally approved in the 6<sup>th</sup> NSQC held under the erstwhile NSDA on 25<sup>th</sup> May 2015, at **NSQF Level 4 with 300 notional hours**. The qualification was being implemented

in grade 9 and 10 in the schools. The said qualification was subsequently rationalized and revised in the 15<sup>th</sup> NSQC held under NCVET on 27<sup>th</sup> January 2022 with notional hours **552 and NSQF Level 4.**

5.2 Based on the revision undertaken as per the revised NSQF standardised norms, the said qualification is now upgraded for implementation in **grade 11 and 12 from academic year 2022-23.** As the 15<sup>th</sup> NSQC was held in January 22 and the Minutes of the Meeting were circulated by first week of February 2022, number of States (Nagaland, Maharashtra, Andhra Pradesh, Goa, Karnataka, Jharkhand, Assam, Odisha, West Bengal and Tripura) had already **enrolled students in Grade 9 for the earlier version of the job role.** Keeping in view that the course model curriculum and preparation of the booklets etc is going to take time as also there is no similar qualification presently at NSQF level 3 for implementing in grade 9 and 10, DoSEL & PSSCIVE have proposed to consider granting a special permission for allowing continuation of the earlier version of the qualification (**FTOHA**) i.e. at NSQF level 4 with 300 notional hours, for grade 9 and 10 for the **academic year 2022- 23 (9<sup>TH</sup> GRADE & 10<sup>TH</sup> GRADE)** and 2023-2024 (**10<sup>TH</sup> GRADE ONLY**). They have further requested that Electronics Sector Skill Council be advised to make a similar qualification for grade 9 and 10 which can be implemented from the academic year 2023- 24 onwards from **9<sup>TH</sup> GRADE.**

5.3 Accordingly, the States shall be able to enrol students in the new course in grade 9 from academic year 2023-24 onwards (job role under development by ESSC) and the revised/ upgraded job role shall then be implemented in grade 11 and 12<sup>th</sup> from academic year 2023-24. In view of the above, following is proposed for kind consideration of the Committee:

- a) The earlier version of the job role **Field Technician - Other Home Appliances (FTOHA) with QP Code: ELE/Q3104 be allowed to be implemented for students enrolled in grade 9/10 for academic year 2022-24.**
- b) The above approval be granted as a special case exclusively for the school education program.
- c) The Electronics Sector Skill Council be advised to bring a new qualification for grade 9 and 10 as per the revised NSQF norms, by 15<sup>th</sup> July 2022 along with the model curriculum and digital booklets for consideration in the next NSQC meeting scheduled in the month of July 22.

***The agenda is placed for consideration and approval of the Committee.***

**6. AGENDA ITEM NO 06: Approval of Employability Skills of 120 Hrs/ 90 Hrs/ 60 Hrs/ 30 Hrs to Be Implemented as Standard Common NOSs Across All the Existing NSQF Aligned and Approved Qualifications as Applicable and All Subsequent Qualifications to be Developed for submitting before NSQC for NSQF Alignment and Approval**

6.1 Pursuant to the decision taken in the 16<sup>th</sup> meeting of the NSQC with respect to inclusion of NOSs on employability skills in all skill based qualifications, a Committee was constituted under the chairpersonship of Dr. Vinita Aggarwal, Executive Member, NCVET on 09/03/22 vide Order No. 20004/01/202/NCVET to look into the formulation and operationalisation of NOSs for employability skills (ES), including ES for different levels and of different durations (120, 90, 60 and 30 Hrs.), components, performance criteria, assessment, flexibility for job roles specific requirements etc. for its effective implementation across all the NSQF aligned and approved STT and LTT qualifications by the Awarding Bodies concerned.

6.2. The NSDC was given the responsibility to design and develop the NOSs for employability skills as per the decision taken by the Committee. Accordingly, four NOSs of duration 120 Hrs (preferably to be included in qualifications at level 6,7 & 8), 90 Hrs (preferably to be included in qualifications at level 4,5 & 6), 60 Hrs (preferably to be included in qualifications at level 3, 4 & 5 and above) and 30 Hrs (preferably to be included in qualifications at level 1, 2, and 3) have been designed by NSDC and submitted through the NCVET recognised Awarding Body i.e. DGT with following modules:

- a) Introduction to Employability Skills
- b) Constitutional values - Citizenship
- c) Becoming a Professional in the 21st Century
- d) Career Development & Goal Setting
- e) Basic English Skills
- f) Communication Skills
- g) Essential Digital Skills
- h) Financial and Legal Literacy
- i) Customer Service
- j) Diversity & Inclusion
- k) Entrepreneurship
- l) Getting Ready for Apprenticeship & Jobs

6.3 DGT has further communicated that learning content of the NOSs is under development and shall be submitted at the earliest. Once approved, these NOSs shall be included in all existing NSQF aligned & approved qualifications (as per requirement & applicability) by all concerned Awarding Bodies as well as all qualifications being submitted for NSQF alignment and approval in future. The detailed documents shall be available on NQR. Module- wise detail of each NOS is at **Annexure IV**.

***Agenda is placed for kind consideration and approval of the Committee***
