**4. AGENDA ITEM NO 4: GRANT OF EXTENSION OF INACTIVE QUALIFICATIONS BEING RUN UNDER SAMAGRA SHIKSHA ABHIYAN TILL ACADEMIC SESSION 2022-23**

4.1. In the 14<sup>th</sup> meeting of NSQC held on 30<sup>th</sup> December 2021, it was decided that all such qualifications which have been accorded status of “Inactive” and archived by NSQC but are being implemented under various Govt schemes shall be given conditional extension till 31<sup>st</sup> March 2022, including eight (08) inactive qualifications, to enable the trainees enrolled in schools/Govt schemes to complete their training. Accordingly, necessary instructions were issued to NSDC for reflecting the same on SIP.

In addition, D/o School Education has also mentioned that the qualification ‘General Duty Assistant’ of Healthcare SSC, which has been deactivated, be permitted to be continued till Academic session 22-23 so that enrolled students (21-23 batch) can complete the training.

4.2. However, Additional Secretary, D/o School Education has indicated that the following courses are in high demand in schools and hence has made following requests through a letter (attached for reference):

- i. 20 job roles including the 08 inactive job roles be granted extension till end of academic session 22-23.
- ii. Allow admission in these 20 qualifications for next academic session namely 2022-23 at state level as well.
- iii. Validation of qualification ‘General Duty Assistant’ of healthcare SSC to continue till 2022-23 for completion of existing batch.
- iv. Allowing admission in qualification ‘General Duty Assistant’ for next academic session namely 2022-23 at state level as well.

4.3. Following is proposed in this regard:

- i. The 08 inactive qualifications as requested may be granted conditional extension till the end of academic session 2022-23 for completion of training of the existing enrolled students, while for other ABs/ TPs/TCs the validity of these 08 qualifications shall continue to be till only 31.3.22. Further extension of these 08 Qualifications till 2022-23 is **only for school education**. The list of 08 qualifications is at **Annexure III**.
- ii. For continuation of admission in any active qualifications, in academic session starting 2022-23, it may be mentioned that the same is permissible for all such qualifications which are active during the said period.
- iii. As regards qualification- 'General Duty Assistant' of the Healthcare SSC is concerned, the said qualification has already been revised in Jan 2021 and hence the version 1 of the qualification has been deactivated while the revised version approved in January 2021 continues to be active. For the upcoming academic session commencing in 2022-23, the Department of School Education (DoSEL) may implement the revised version of this qualification which is currently active as the same has concurrence of Ministry of Health and Family Welfare. In case the DoSEL desires to implement the version 1 of the 'General Duty Assistant' qualification, they may seek specific consent from MoHF&W and intimate the NCVET regarding the same.

**Submitted for consideration and approval of Committee**
