**1. AGENDA ITEM 01: Confirmation of the minutes of the 23<sup>rd</sup> meeting of the national skill qualification committee (NSQC) held on 29<sup>th</sup> September 2022**

Minutes of the 23<sup>rd</sup> Meeting of NSQC held on 29<sup>th</sup> September 2022 were circulated. No comments have been received from any stakeholders.

**The Minutes are placed for confirmation by the Committee.**

**2. AGENDA ITEM 02: Action Taken Report on the decisions taken in the meetings of the NSQC****2.1 Decisions taken in the 23<sup>rd</sup> Meeting of NSQC**

S. No	Subject Matter pertains to	Decision of NSQC	Action Taken		
a)	Directorate General of Training (DGT)	The Committee advised the DGT to expedite timely submission of National Occupational Standards (NOSs) and the Model Curriculum for the new NOSs which could not be mapped to the existing National Skill Qualification Framework (NSQF) aligned and approved NOSs.	DGT has intimated that development work of new NOSs is under progress. Tentative schedule for completion provided by DGT as given below:		
			Tentative Date of completion	Trades for which new NOS to be developed	Approx. Nos. of NOSs to be prepared
			By Nov-2022	All popular CTS trades for 1st year syllabus (Approximately covering 90 % trainees) All popular CTS trades for 2nd year	600
			By Dec-2022	All other CTS trades for 1st year	300
			By Jan-2023	All other CTS trades for 2nd year	300
				Total	1200

b)	<b>ASAP (Additional Skill Acquisition Program), Kerala</b>	The Committee had approved the Qualification ' <b>Child Health Assistant</b> ' for six months in 22 <sup>nd</sup> NSQC held on 25 <sup>th</sup> August 2022 and advised ASAP Kerala to submit the State Health Department concurrence at the earliest failing which the qualification shall be deemed to have been withdrawn.	The requisite document is yet to be submitted by ASAP Kerala. Keeping in view the non-submission of the document and non-receipt of any communication in this regard the qualification is <b>deemed withdrawn</b> .
c)	<b>Management Sector Skill Council</b>	<p>i) The Committee had advised the AB to revisit the scope of the qualification '<b>Pre-School and Day Care Facilitator</b>' and resubmit for approval of NSQC. Further, MEPSC was advised to hold discussion with the stakeholders and refer to the National Curriculum Framework (NCrF) to amend the qualification parameters.</p> <p>ii) Qualification- Entrepreneur (elective-women entrepreneur &amp; gender sensitivity) was conditionally approved subject to nomenclature and progression to be revised &amp; resubmitted.</p>	<p>i). The qualification was compared with the qualification of ASAP Kerala and the DGT, through Stakeholder consultation. The learning outcome, competency achieved, and the content of the qualification is different in all the three ABs.</p> <p>ii). The compliance has been met by the MEPSC. A meeting was held at NCVET with MSME to discuss issues relating to entrepreneurial qualifications. MSME observed that the term 'Entrepreneur' can be used without qualifying as micro/ small/ medium which has certain financial and legal implication. Therefore, the proposed nomenclature of the qualification may be retained.</p>
d)	<b>Qualifications being implemented in Schools</b>	The Committee had suggested to hold a meeting with members from DoSEL, Agriculture SSC and Tourism SSC and revisit the status of 3 inactive qualifications namely- "Tour guide", "Asst Tour Guide" and "Animal Health Worker" being implemented in schools across various states which has been rationalised and revised with new nomenclature as per Industry needs	The compliance is awaited.

## 2.2 Decisions taken in the 22<sup>nd</sup> Meeting of NSQC

S. No	Subject Matter pertains to	Decision of NSQC	Action Taken
a)	<b>NASSCOM</b>	Fourteen (14) revised qualifications were presented before the Committee. The Committee observed that while all the 14 qualifications need to be revisited with respect to the entry level criteria, NSQF Level of certain qualifications also needs to be rationalised keeping in view the revised NSQF parameters. The Qualifications were approved subject to NASSCOM revising and rationalising the qualifications as per the observations of NSQC.	<p>NASSCOM has made necessary changes/corrections as advised by the NSQC. Accordingly, 14 qualifications have been approved 'on file' by the Competent Authority.</p> <p>The details of the qualifications are as mentioned at annexure IV</p>

***The agenda is placed for information and approval of the Committee***

**3. AGENDA ITEM NO 03: Redesigning of the certificates for issue to the trainees by the recognised Awarding Bodies after successful assessment on NSQF aligned and approved qualifications by the recognised assessment agencies**

3.1 To bring in homogeneity in the certificates being issued to students/ learners under various skilling programs especially those funded under government run schemes, a uniform certificate template was launched by the hon'ble Minister of Skill Development & Entrepreneurship on 27<sup>th</sup> October 2020.

3.2 Subsequently, during the implementation of this template, certain editorial corrections were indicated by various stakeholders. The same were rectified and the modified version was shared again with all stakeholders.

3.3 The Skill ecosystem being vibrant, and dynamic is constantly evolving. NCVET being a National Skills Regulator, keeping pace with the skill ecosystem is constantly updating various policies to meet the expectations of the stakeholders in the skill ecosystem. it has been observed that the existing Certificate Template needs to cater to the changing requirements of the skilling ecosystem which includes the following:

- a) The Draft NCrF report has been launched for public consultation and the certificate needs to include the allocation of credits to the Trainees/Learners.
- b) Different types of Awarding Bodies, viz, Central Govt Bodies, Armed Forces (Tri-Services), Govt/Pvt Universities, SSCs and Reputed Institutions etc, have been awarded the status of Awarding Body/ Awarding Body (Dual Category).
- c) Suggestions were also received from MSDE and various stakeholders to carryout design improvement in the certificate to make it a more attractive document which would inculcate a sense of pride among recipients.
- d) Colour Coding of certificates for ease of recognition with respect to the Issuing Authority and type of courses (LTT/STT) and method of assessment (regular/RPL).

3.4 Accordingly, nine (09) different formats of certificates have been designed to cater to the following:

- a) Armed Forces (Tri Services)
- b) DGT (Long Term Training- LTT)
  - i) National Apprentice Certificate (NAC)
  - ii) National Crafts Instructor Certificate (CITS)
  - iii) National Trade Certificate (NTC)
- aa) Dual System of Training under CTS
- bb) Flexi MoU
- cd) STT
- c) Skill Universities
- d) ABs – Short Term Training (STT)
- e) Recognition of Prior Learning

3.5 The templates for the above-mentioned Certifying Agencies are at **Annexure I**. All NCVET recognized ABs may adopt these templates for issue of certificates for training in NSQF aligned and approved qualifications.

***The agenda is placed for information and approval of the Committee***

**4. AGENDA ITEM NO 04: Request for revision of two NSQF aligned and approved qualifications of Apparel SSC approved in 23rd NSQC**

4.1. In the 23rd NSQC, held on 29th September 2022, two revised qualifications of Apparel SSC namely 'Sewing Machine Operator'(SMO) and 'Sewing Machine Operator-Knits'(SMO-Knits) (Originally approved at Level 4 in the 7th and 11th NSQC in the year 2015 and 2016 respectively) were approved at NSQF level 2 and the word "Junior" was suffixed to both the qualifications keeping in view the NCrF and revised NSQF norms.

4.2. NCVET has now received a request from the Apparel Industries through AB-Apparel SSC that suffixing the word "Junior" may affect the training and subsequently the employability of the related workforce in these two job roles. It may also lead to exploitation of the workforce concerned resulting in a possible reduction in their daily wages thus adversely affecting the prospects of skilling in these Job roles.

4.3. To deliberate further on the issue, a meeting was convened with representatives of the industry concerned and officials of Apparel SSC. While discussing the concerned matter, the representatives were also informed about the policy changes happening in the vocational education and training/ skilling ecosystem by formulation of National Credit Framework leading to subsequent revision in the parameters for NSQF alignment and approval of qualifications. The NCrF and revised NSQF norms were explained in detail to the industry representatives which was well received, and the suggested changes commonly agreed upon are given below:

S. No.	Approved in 23 <sup>rd</sup> NSQC			Proposed Changes			
	Name of Qualification	NSQF Level	Entry Level Criteria	Name of Qualification	NSQF Level	Entry Level Criteria	
1	Sewing Machine Operator Junior (Jr)	-	2	•No formal education required	Sewing Machine Operator	3	<ul style="list-style-type: none"><li>• Grade 9 pass</li><li>• Grade 8 with one year of (NTC/ NAC) after 8<sup>th</sup></li><li>• 8th grade pass -1 yr relevant exp</li><li>• 5th grade pass -3 yr relevant exp</li><li>• Ability to read and write -5 yr relevant exp</li></ul>
2	Sewing Machine Operator Knits (Jr)	-	2	•No formal education required	Sewing Machine Operator Knits	3	

**Submitted for kind consideration and approval of the committee.**

## 5. AGENDA ITEM NO 05: Archiving of NSQF aligned and approved qualifications which are inactive

5.1. NSQF alignment and approval of Qualifications based on Industry demand is a dynamic process. Periodic monitoring and evaluation of these NSQF aligned and approved qualifications is undertaken by the NCVET. Accordingly, a comprehensive internal audit of the Qualifications aligned to NSQF & approved in various NSQCs was carried out in consultation with the Awarding Bodies of the respective sectors. It was observed that there were certain qualifications in which there has been zero/minimum training conducted by the concerned ABs.

5.2. The list of all such qualifications were shared with the ABs for their final comments/suggestions/feedback. Accordingly, the Awarding Bodies have recommended a total of 859 qualifications for archiving due to non-active/ zero/minimum training. All such qualifications have now been archived and may be referred under the archive section of the NQR portal. As and when any of these qualifications have a training demand from the industry, concerned AB may submit the proposal for activation of any such qualification. The details of 859 archived qualifications are attached as **Annexure II**.

### Submitted for information of the Committee

## 6. AGENDA ITEM 6: Revised standardised version of qualification template & new NOS templates

6.1. Qualifications/Job Roles as per the industry demand are submitted by the concerned Awarding Bodies for NSQC approval in a standardized template. These templates contain requisite information like nomenclature, entry requirements, need, duration & progression etc. including relevant annexures like model curriculum & industry validations. Capturing of this information is essential for placing the Qualifications before the NSQC for NSQF alignment & approval.

6.2. The recent policy initiatives of Government like NEP & NCrF have brought positive fundamental shifts to provide more impetus to vocational education & skilling and its integration with general education. With the rolling of NEP 2020 & NCrF along with formulation of new policies at NCVET certain basic information required for NSQF alignment has also undergone change in the existing Qualification templates. The details are given below:

- a) Credits being assigned for all Qualifications
- b) Levels being rationalized from 10 to 8 along with the level descriptors

- c) Standardization of various NSQF Parameters
- d) Inclusion of Employability Skills across all Qualifications
- e) Formulation of Qualification Files in English, Hindi & other vernacular languages.
- f) New Qualification Codes for all Qualifications
- g) Incorporation of New Guidelines on Blended Learning, Cross Sectoral, Multi Sectoral Skill Qualifications, Adoption of Qualification, Training of Trainers (ToT), Training of Assessors (ToA), Approval of NOSs & Micro credentials.

6.3. Keeping in view the various parameters mentioned, NCVET has developed five (5) Qualification Templates which would meet the industry & ecosystem requirements and facilitate adaptability to future developments like NCVET Digital Enterprise Portal. The details are given below:

- a) Qualification file template for generic qualifications/job-roles.
- b) Qualification file template for Heritage/ traditional Qualifications.
- c) Template for NOS.
- d) Template for Micro-credentials.
- e) Template for OEM based Qualifications.

6.4. Once approved by NSQC, Qualifications, NOSs & Micro credentials shall be submitted by all Awarding Bodies in these revised/prescribed Qualification templates for NSQF alignment & approval from 1st January 2023. The various templates for approval are at **Annexure III**.

#### **Agenda is placed for the approval of the Committee**

#### **7. AGENDA ITEM NO 07: Resubmission of qualification from NCONF, Ministry of Agriculture and Farmers Welfare**

7.1. The 3rd meeting of NSQC held on 20th Nov 2020 had approved the qualification '**Organic Farming Promoter/Manager**' which was submitted by National Centre for Organic and Natural Farming (NCONF), Ministry of Agriculture & Farmers Welfare. However, the qualification could not be uploaded on the NQR portal.

7.2. In view of the revisions that took place in the NSQF norms in terms of nomenclature, notional hours, entry requirement, incorporation of employability skills, the NCONF was advised to align the qualification as prescribed. Subsequently, the NCONF has incorporated all the revised NSQF norms and proposed change of the nomenclature of the qualification to '**Organic Farming Assistant**' submitted for consideration of the NSQC approval with the original validity as approved in the 18<sup>th</sup> NSQC meeting. The difference between the previously approved qualification and updated qualification is summarized as below.

S. No	Original Name of qualification	Revised Name of qualification	Occupation	Original Entry criteria	Revised Entry Criteria	Original Notional hours	Revised Notional Hours (TH + PR)	Original NSQF level	Revised NSQF level
1	Organic Farming Promoter/ manager	Organic Farming Assistant	Organic Farm Assistant/ Consultant	Ability to read and write. Min Age: 21 Years	Ability to read and write. Min Age:18 Years	200 hours	<b>Total= 240</b> Theory=90 hours Practical=120 hours Employability Skills=30	4	2

**The agenda is placed for approval of NSQC**

## **8. AGENDA ITEM NO 8: Submission of qualifications for NSQF alignment**

## **9. AGENDA ITEM NO 9: Submission of qualifications for NSQF alignment under PMKVY 4.0**

9.1. The Pradhan Mantri Kaushal Vikas Yojana is the flagship scheme of the Ministry of Skill Development and Entrepreneurship and plays a crucial role in fulfilling the **vision of hon'ble Prime Minister** of making India '**Atmanirbhar Bharat**' and the '**Skill Capital of the World**'. The PMKVY 4.0 is expected to be launched shortly and accordingly a list of NSQF aligned and approved qualifications across sectors from various Awarding Bodies are proposed to be implemented under this scheme.

9.2. With respect to the implementation of PMKVY 4.0 scheme, a list of 670 qualification has been forwarded by MSDE. Since the norms for NSQF alignment and approval in the wake of NEP, 2020 and NCrF have been revised, all the Awarding Bodies concerned were advised to relook at their qualifications and revise them in accordance with the standardized norms. Although most ABs have already undertaken this exercise, there still are a few ABs that are yet to complete this revision. Hence, it is proposed that in-principle approval be granted to all the above mentioned 668 qualifications for being implemented in the PMKVY 4.0 and the ABs be advised to revise their norms as per revised norms, which shall be ratified in the next NSQC, if needed.

9.3. For effective implementation of PMKVY, the following is additionally proposed:

- i. Any existing SSC wanting to add more qualifications/ job roles for implementing in the scheme, may send them to NCVET, through MSDE, for seeking approval.
- ii. MSDE may consider laying down suitable provisions for non-SSC awarding bodies, willing to implement qualification under PMKVY 4.0.,

9.4. As on date a total of **668 qualifications** have been received from MSDE for being included under the PMKVY 4.0. Out of this list, 606 qualifications which are already NSQF aligned and approved are been considered for implementation under PMKVY. The remaining 62 qualifications are not been considered for the following reasons:

- i. For 23 qualifications the details have not been submitted by the SSCs
- ii. 21 qualifications were found to be duplicate
- iii. 18 qualifications have not been approved in NSQCs.

9.5. The detailed summary of the Qualifications is at **Annexure V**. The sector/ submitting body wise detail of qualifications being considered is as below:
