

**MINUTES OF THE 24<sup>th</sup> MEETING OF NATIONAL SKILLS QUALIFICATIONS COMMITTEE (NSQC) HELD ON 17<sup>th</sup> NOVEMBER 2022**

1. The **24<sup>th</sup> meeting** of the National Skills Qualifications Committee (NSQC) under National Council of Vocational Education and Training (NCVET) was held on 17<sup>th</sup> November 2022, through Video conferencing, under the Chairpersonship of Dr. Nirmaljeet Singh Kalsi, Chairperson, NCVET. The list of participants is at **Annexure- I**.
2. The Committee expressed deepest condolences on the untimely and sad demise of Shri Ravi P Singh, CEO of Power SSC. In his memory, the meeting observed two minutes of silence.
3. The decisions taken by the Committee, w.r.t agenda items, in the meeting are given in the succeeding paras.

**AGENDA ITEM 01: CONFIRMATION OF THE MINUTES OF THE 23<sup>rd</sup> MEETING OF NSQC HELD ON 17<sup>TH</sup> NOVEMBER 2022**

4. The Committee **confirmed** the minutes of the 23<sup>rd</sup> meeting of the NSQC held on 17<sup>th</sup> November 2022.

**AGENDA ITEM 02: ACTION TAKEN REPORT ON DECISIONS TAKEN IN THE EARLIER MEETINGS AND 23<sup>rd</sup> MEETING OF NSQC**

5. The Committee was given a detailed account of the **action taken** on the Minutes of the 22<sup>nd</sup> and 23<sup>rd</sup> NSQC meeting. The committee took note of the action taken and **approved** the same with following decisions:
  - a. On the matter related to DGT regarding submission of National Occupational Standards (NOSs) and the Model Curriculum for the new NOSs of DGT which could not be mapped to the existing National Skill Qualification Framework (NSQF) aligned and approved NOSs, the NSQC advised DGT to expedite the matter. The tentative schedule provided by DGT in this regard is:

<b>Tentative Date of completion</b>	<b>Trades for which new NOS to be developed</b>	<b>Approx. Nos. of NOSs to be prepared</b>
By Nov-2022	All popular CTS trades for 1st year syllabus (Approximately covering 90% trainees) All popular CTS trades for 2nd year	600
By Dec-2022	All other CTS trades for 1st year	300

By Jan-2023	All other CTS trades for 2nd year	300
	Total	1200

b. The Committee had instructed the ASAP Kerala team to submit the concurrence of the State Health Department and the requisite documents of “Child Health Assistant” qualification which was approved in 22nd NSQC. The ASAP Kerala submitted the requisite documents on 17th November 2022. The same have been verified and the qualification has been uploaded on NQR portal with 3 years’ validity from the date of its approval.

c. Management Sector Skill Council: The Committee had advised the AB to revisit the scope of the qualification ‘Pre-School and Day Care Facilitator’ and to hold discussion with the stakeholders and refer to the National Curriculum Framework (NCrF) to amend the qualification parameters and resubmit for approval of NSQC. The qualification was compared with the qualification of ASAP Kerala and the DGT, through stakeholder consultation. The learning outcome, competency achieved, and the content of the qualification is different in all the three ABs. The compliance has been met by the MEPSC and qualification was resubmitted for NSQC approval. The Committee approved the same.

Also, the qualification, ‘Entrepreneur (elective-women entrepreneur & gender sensitivity)’ was conditionally approved subject to revision of nomenclature and progression. A meeting was held at NCVET with MSME to discuss issues relating to entrepreneurial qualifications. MSME observed that the term ‘Entrepreneur’ can be used without qualifying as micro/ small/ medium which has certain financial and legal implications. Therefore, the Committee agreed that the proposed nomenclature of the qualification may be retained.

d. On the issue of implementation of inactive qualifications in schools, the Committee directed that no further admission/ enrolment is permitted on the inactive versions of the qualifications and also advised that a meeting may be held between Tourism SSC, Agriculture SSC and DoSEL to resolve the matter pertaining to the inactive qualifications of Tour Guide, Asst. Tour Guide and Animal Health Worker. It was explained that it is the responsibility of the implementing body (DoSEL) to ensure that only those qualifications that are currently valid are offered in the school education system and that the qualifications being offered are not expired or archived.

The status of compliance is at **Annexure II**.

### **AGENDA ITEM 03: REDESIGNING OF THE CERTIFICATES FOR ISSUE TO THE TRAINEES BY THE RECOGNIZED AWARDING BODIES (ABs)**

6. The Committee was informed that on 27th October 2020, the Hon’ble Minister of Skill Development & Entrepreneurship, GOI had launched the uniform certificate template to bring in homogeneity in the certificates being issued to students/ learners under various skilling programs especially those funded under government run schemes. All NCVET recognized ABs are mandated to adopt these templates for issue of certificates for training in NSQF aligned and approved qualifications. Subsequently, during the implementation of this template, certain editorial corrections were indicated by various stakeholders. Further, keeping in view the changing requirements of the skilling ecosystem, certain modifications were carried out in the

certificate template and accordingly, 9 (nine) standard certificate templates to cater to the requirements of the following have been designed by the NCVET:

- a) Armed Forces (Tri Services)
- b) DGT (Long Term Training- LTT)
  - b.1. National Apprentice Certificate (NAC)
  - b.2. National Trade Certificate (NTC)
    - b.2.1. Dual System of Training under CTS
    - b.2.2. Flexi MoU
    - b.2.3. STT
- c) Skill Universities (Short term skilling)
- d) ABs – Short Term Training (STT)
- e) Recognition of Prior Learning

7. The Committee took note of the same and **approved all the 9 (nine) standard certificate templates for the use by all the NCVET recognized ABs.** Furthermore, **as discussed in the meeting** the Committee allowed the use of the logo of the funding agencies/ organization at the bottom of the certificates. These templates shall be shared as open files with all stakeholders along with an explanatory note for issuance. The 9 (nine) standard certificate templates are attached at **Annexure III.**

#### **AGENDA ITEM 04: REQUEST FOR REVISION OF TWO NSQF ALIGNED AND APPROVED QUALIFICATIONS OF APPAREL SSC APPROVED IN 23<sup>RD</sup> NSQC**

8. The Committee was apprised about the concerns regarding the two revised qualifications of Apparel SSC namely 'Sewing Machine Operator'(SMO) and 'Sewing Machine Operator-Knits'(SMO-Knits), which were approved in the 23<sup>rd</sup> NSQC held on 29<sup>th</sup> September 2022, at NSQF level 2 and the word "Junior" was suffixed to both the qualifications. The Apparel Industries (through AB-Apparel SSC) had conveyed to the NCVET that suffixing the word "Junior" may affect the training and the employability of the related workforce in these two job roles.

9. To deliberate further on the issue, a meeting was convened with representatives of the industry and officials of Apparel SSC. While discussing the concerned matter, the representatives were also informed about the policy changes happening in the vocational education and training/ skilling ecosystem in view of the formulation of National Credit Framework leading to subsequent revision in the parameters for NSQF alignment and approval of qualifications. The NCrf and revised NSQF norms were explained in detail to the industry representatives which was well received, and the suggested changes commonly agreed upon are given below:

S. No.	Approved in 23 <sup>rd</sup> NSQC			Proposed Changes		
	Name of Qualification	NSQF Level	Entry Level Criteria	Name of Qualification	NSQF Level	Entry Level Criteria

10. The Committee **approved** the qualifications with the above proposed changes.

#### **AGENDA ITEM 05: ARCHIVING OF NSQF ALIGNED AND APPROVED QUALIFICATIONS (NON-ACTIVE)**

11. The Committee was informed that a comprehensive internal audit of the Qualifications aligned to NSQF and approved in various NSQCs was carried out in consultation with the Awarding Bodies of the respective sectors. It was observed that there were certain qualifications which were inactive or in which very low trainings were conducted. Total 859 qualifications with low training numbers or in inactive status were identified for archiving, however, 04 qualifications of Green jobs were removed from the list upon receipt of the request for the same. Accordingly, a total of 855 qualifications have been recommended by the ABs for archiving. All 855 qualifications are now archived and may be referred to under the archive section of the NQR portal. In case of demand for training on these qualifications by the industry, the concerned AB may submit the proposal for their activation. The details of these archived qualifications are attached as **Annexure IV**.

12. The Committee took note of the same and provided their concurrence for archiving of **855 non-active qualifications**. The Committee also requested all the ABs to examine their qualifications every month and suggest for archiving the non-active qualifications. The concerned ABs/ SSCs should also inform every stakeholder (including Schools) about their all archived/ inactive qualifications at regular intervals.

#### **AGENDA ITEM 06: REVISED STANDARDIZED VERSION OF QUALIFICATION TEMPLATE & NEW NOS TEMPLATES**

13. The Committee was presented with five (5) Qualification Templates for approval, which were developed by NCVET in consultation with the stakeholders from the sector skill councils and awarding bodies to meet the industry and skill ecosystem requirements and facilitate adaptability to future developments like NCVET Digital Enterprise Portal. The details of the five (5) templates are as follows:

1. Qualification file template for generic qualifications/job-roles.
2. Qualification file template for heritage/ traditional Qualifications.
3. Template for NOS.
4. Template for Micro-credentials.
5. Template for OEM based Qualifications.

The templates are attached at **Annexure V**.

14. The Committee **approved** the qualification templates with instructions to all ABs to adopt these templates from 1<sup>st</sup> Jan 2023 for the development and revision of the qualifications.

## AGENDA ITEM 07: RESUBMISSION OF QUALIFICATION FROM NATIONAL CENTRE FOR ORGANIC AND NATURAL FARMING (NCONF), MINISTRY OF AGRICULTURE AND FARMERS WELFARE

15. The Committee was apprised that the 3rd meeting of NSQC held on 20th Nov 2020 had approved the qualification 'Organic Farming Promoter/Manager' which was submitted by NCONF, Ministry of Agriculture & Farmers Welfare. However, the qualification could not be uploaded on the NQR portal.

16. In view of the revisions that took place in the NSQF norms in terms of nomenclature, notional hours, entry requirement and incorporation of employability skills, the NCONF was advised to align the qualification as per NSQF norms. Subsequently, the NCONF has incorporated all the revised NSQF norms and proposed change of the nomenclature of the qualification to 'Organic Farming Assistant' and submitted the same for NSQC approval with the original validity as approved in the 3rd NSQC meeting. The difference between the previously approved qualification and updated qualification is summarized as below.

31. **Sector Council for Persons with Disability** 8 (eight) revised qualifications were presented before the Committee and approved. The Committee observed that training is not happening on the qualifications modified for the PwD candidates. - c) The ABs/ SSCs who want to include their qualifications in to the PMKVY 4.0 list, may take up their case with MSDE.
- d) More number of future skill qualifications may be included as part of the PMKVY 4.0

#### **Additional points with the permission of the Chair**

39. Mr. Ravindra Singh CEO, SCPwD, informed the Committee that the qualifications modified for the PwD candidates have extended notional hours with respect to original qualifications in view of the special learning requirements of PwD category of learners which generally crosses 600hrs. Due to this, the qualifications do not qualify for the PMKVY 4.0 as it takes only qualifications having maximum notional hours as 600 hrs.
