Further, the Mining SSC has undertaken the rationalization of the two ibid qualifications. Meanwhile the SSC was offered training targets of 116 learners from Manganese Ore India Ltd. (MOIL) and the SSC had to undertake the trainings from November' 2021 to January' 2022 without prior approval of NCVET. Apropos, the SSC has requested for an extension of validity of the two ibid qualifications for six (06) months to enable them to certify trained learners.

- a) 16 Qualifications in 12th NSQC;
- b) 20 Qualifications in 14th NSQC.

**34. However, nine (09) out of 45 pre-revised qualifications which were subsequently merged and clubbed under thirty-six (36) qualifications were archived by NSDC on SIP without taking into consideration that they were running under various Govt schemes ((NULM/ PMKVY/ DDU-GKY (NULM/PMKVY) and schools. The Apparel SSC has received communications from various Schools and Training Partners informing that approximately 900 students have already commenced their training in 09 qualifications (list attached as **Annexure VI**) and requested for grant of extension of validity. Accordingly, the Apparel SSC has requested for an extension of validity to the 09 qualifications up to 31<sup>st</sup> March 2022.**

**35. The Committee accorded approval to the proposal and granted extension of validity till 31<sup>st</sup> March, 2022.**
