5. AGENDA ITEM 05: Adoption of Qualifications by Defence Forces (Indian Army)

- 5.1.** The 17 Awarding bodies of Indian Army comprising of fighting arms, support arms and services have been formally affiliated to the skill ecosystem of NCVET by according them recognition as an Awarding Body (dual category) which enables them to align their existing qualifications with NSQF as also develop more qualifications to meet their operational requirements as also ease of absorption as per industry need. Awarding Bodies may either develop these Qualifications or adopt the already developed qualifications as per the NCVET Adoption Guidelines to obviate duplication of the effort. The provision has also been given to make changes up to 20% to suit their own training requirements as well as industry needs.
- 5.2.** NCVET Adoption Guidelines aims to minimize duplication of qualifications while providing access to standardized qualifications, thereby ensuring uniformity and quality assurance in assessment and certification. Adoption Guidelines facilitate acquisition of awarding rights by an Awarding Body with respect to a qualification that is developed by another Awarding Body and is available without any cost to all Central Government Ministries/ Central education school boards. Adoption guidelines also provide flexibility while adoption of qualifications with provision of modifications.
- 5.3.** The defense awarding bodies have already aligned a significant number of their qualifications with NSQF. Of the existing aligned and approved qualifications of other ABs including the other directorates of the defense, many are applicable and are common across defense forces with or without minor modifications. Therefore, to obviate the duplication of efforts and wastage of resources, they were advised to adopt all such qualifications in line with the provisions given in Adoption Guidelines.

5.4. However, for better coordination & record keeping, effective execution & implementation, it is proposed that list of all such qualifications to be adopted by the Indian Army ABs be sent to Army Training Command (ARTRAC) and a consolidated list duly vetted by ARTRAC be submitted to NCVET for considering grant of approval. Modifications, if required, may also be undertaken in the adopted qualifications subject to adoption guidelines.

Submitted for kind consideration and approval of the Committee.

6. AGENDA ITEM 06: Status of 10 NSQF Aligned and Approved Foreign Language Qualifications Submitted by English and Foreign Languages University, Hyderabad (EFLU) duly Recommended By UGC

6.1. In the 19th Meeting of NSQC held on 26th May 2022, the Committee accorded approval to the ten (10) Foreign Language qualifications/courses namely Italian, German, Spanish, Japanese, French, Russian, Persian, Arabic, Chinese, Korean, submitted by EFLU. The qualifications were approved at NSQF level 1 with the training duration from 90 to 120 hrs. The validity of the all ten qualifications was for a period of one year until June 2023, with instructions to review the training numbers and responses from learners before considering their extension.

6.2. UGC had intimated that these courses will be implemented by selected universities who will also be conducting training and assessment on the aforementioned Foreign language qualifications/courses and also prepare the detailed syllabus, instructional material, Training of Trainers (TOT) and Training of Assessors (TOA) norms in consultation with EFLU. The 6 selected Institutions were:

- Manipur University, Canchipur, Manipur.
- Goa University, Taleigao Plateau, Goa.
- Jagan Nath University, Bahadurgarh, Haryana.
- Sathyabama Institute of Science and Technology, Tamilnadu.
- GSMS, Gujarat Technological University, Ahmedabad.
- Chaudhary Charan Singh University, Meerut.

6.3. Additionally, EFLU was also requested to create more qualifications at NCrF level 2 and level 3 along with the detailed model curricula to introduce these courses into universities and other institutions.

6.4. As on date, NCVET has neither received any formal communication nor has it received any documents i.e model curricula, ToA, ToT etc from any of the above-

mentioned Universities. NCVET has not received the training numbers on all these qualifications as on date.

6.5. Apropos, an email dated 17th August 2023 has been sent to the UGC and EFLU to draw their attention to this matter so that the aforementioned ten NSQF aligned and approved qualifications can be taken up for further extension.

The agenda is placed for kind information and further directions of the Committee.

7. AGENDA ITEM 07: Mapping of Qualifications with National Classification of Occupation (NCO) Codes

7.1. To address various challenges being faced with respect to allocation of NCO Codes to Qualifications, the National Skills Qualification Committee (NSQC), in its 26th meeting held on 31st January 2023 had advised to constitute a committee on mapping of qualifications with NCO codes under the chairpersonship of Executive Member, NCVET. The Committee was formed with members representation from Ministry of Labour & Employment (MoLE), MSDE, UGC, AICTE, NCVET, DGT, NSDC and select Awarding Bodies.

7.2. Accordingly, the 'Committee on Mapping of Qualifications with NCO Codes' was notified on 14th February 2023 vide an Order No. 32001/12/2023/NCVET with a subsequent amendment dated 19/04/2023. The Committee held four meetings on 20th February 2023, 21st March 2023, 11th April 2023, and 25th July 2023 respectively.

7.3. An extensive exercise in consultation with all the Awarding Bodies was undertaken to identify and rectify the NCO codes of all the existing NSQF aligned & approved qualifications by making sub committees under CEOs of various Sector Skill Councils. During the exercise, a total of 2157 active qualifications of 45 ABs were mapped out of which 156 qualifications were found to be incorrectly mapped to the NCO Codes, and for 256 qualifications, the appropriate NCO codes were not found available.

7.4. The committee observed that the capacity of the awarding bodies with respect to understanding and assignment of NCO codes to the qualifications be enhanced. Accordingly, all the NCVET recognized Awarding Bodies were divided in three different groups and capacity building workshops for these groups were held by senior officials of DGE, MoLE on 28th April 2023, 04th May, 2023 and 11th May, 2023 respectively.

7.5. As per the mandate of the committee and based on extensive consultations and mapping exercise, a detailed Report on mapping of qualifications with NCO Codes has been prepared along with a Handbook with detailed instructions for correct and easy mapping of qualifications across sectors. The Report contains various recommendations of the committee along with the use cases & process flow charts for easy allocation of NCO Codes. The major recommendations are as below:

- a) Constituting a Standing Committee on NCO to address major issues related to NCO mapping, i.e., operational issues, interpretational matters and conflict resolution.
- b) Developing Online Solution for Authentic Assignment of NCO Codes – AI based online solution to map various parameters of a qualification in order to assign the NCO Code to a job role.
- c) Assigning Codes to Qualification – Two methods have been proposed, i.e., the upward and the downward assignment of codes.
- d) Assigning Codes to Multiskilling Qualifications – Multiple codes can be assigned.
- e) Assigning Codes to Qualifications for which NCO cannot be mapped – Code up to family level is mandatory.
- f) Assigning codes to emerging & futuristic qualifications – Mapping up to family level is mandatory; in case of non-availability, standing committee shall be informed.
- g) Assigning Codes to qualifications pertaining to Traditional & Heritage skills - Mapping up to family level is mandatory; in case of non-availability, standing committee shall be informed.
- h) Utilizing the last two digits (Qualification/NOS Reference) – Last two digits assignment to a qualification is important; however, this exercise is recommended after the complete mapping of current qualifications at least up to family level.
- i) NCO Skill Level & NCrF/NSQF Level – Concurrence/ mapping between the two to be ensured.
- j) Verification process has been prescribed for assigning NCO Code
- k) Annual monitoring and oversight have been prescribed.

- l) For revision of NCO at international level NCVET to be made member.
- m) Capacity Building – Workshops and other awareness exercises be undertaken for all stakeholders periodically.
- n) DGE, MoLE be included as member in NSQC.

The Report of the Committee is submitted before the NSQC.

8. AGENDA ITEM 08: Assessment of Training Batches for Prisoners conducted in Offline Mode By UPSDM.

- 8.1.** Uttar Pradesh Skill Development Mission (UPSDM) vide letter no. 998/UPSDM/2023-24/SANKALP/1666, dated 31/07/2023 has requested CSDCI for the assessment of the batches formed for the prisoners' training that were conducted in offline mode. As these batches are not available on any portal such as SIP, so the NCVET approved certificates for the candidates cannot be generated automatically/ digitally.
- 8.2.** These batches were commissioned with a social concern to assist the hapless group of prisoners, detained juvenile reformatories or inmates of women shelter homes etc. to enable them pursue an avocation as per their skill possessions to economically sustain themselves after they are released from the four walls of prison.
- 8.3.** Further, CSDCI vide mail dated: 10/08/2023 requested NCVET's directions and approval to conduct assessment of the batches and issue certificates to the trainees in offline mode.
- 8.4.** The details of the batches are as follows:
 - a) Job role: Assistant Electrician
 - b) Total Batches: 02 nos.
 - c) Total Candidates: 54 nos.
 - d) Training Provider Name: M/s Computer House (UPSDM TP ID: TP2692)
 - e) Batches Start Date: 07/11/2022
 - f) Batches End Date: 23/03/2023

Submitted for information and approval of the Committee
