**4. AGENDA ITEM 04: URGENT APPROVAL OF THE QUALIFICATIONS SUBMITTED TO NCVET**

4.1 Central and state governments are taking a lot of initiatives in form of various schemes/ skilling programs with the aim of training and skilling youth to make them employable and help them secure a better livelihood. Accordingly, for implementation of these schemes and skilling programs, qualifications are submitted for early/ urgent approval. Hence, for the effective and efficient implementation of such schemes/ programs, there is a provision to expedite the approval of qualifications by according on-file approval of qualifications by the competent authority after following all the approval process as per NSQF norms and subsequently place before NSQC for ratification.

4.2 To have a smooth process, all ABs submitting qualifications for urgent approval must submit following along with qualification file.

- i. Urgency and need of the qualification are to be established.
- ii. Complete docket is to be submitted along with the qualification as per the NSQF.
- iii. Qualification handbook, trainer's handbook and student's handbook.

**The agenda is placed for approval of the Committee.**

**5. AGENDA ITEM 05: APPROVAL OF THREE (03) NOSs (IT -ITES SECTOR) RECEIVED FROM HCL TECH AND ONE (01) QUALIFICATION (IT -ITES) RECEIVED FROM CDAC - RATIFICATION THERE OF**

**5.1 THREE (03) NOSs (IT -ITES SECTOR) RECEIVED FROM HCL TECH**

- a. HCL Tech, had applied for NCVET recognition as an Awarding Body (Dual Category). Post issuance of Letter of Intent (LoI) and grant of provisional recognition as an Awarding Body (Dual), HCL Tech has submitted 3 NOSs (Upskilling) and requested NCVET for NSQF alignment and NSQC approval of the NOSs to enable them to start the training.
- b. HCL in collaborative partnership with UPSDM and Dr. A.P.J Abdul Kalam Technical University (APJAKTU) is doing skill development for the youth, particularly in the field of technology. This collaboration holds significant to empower young individuals to contribute to the ambitious goal of Uttar Pradesh. To make this initiative a success and create a pool of 15000 industry ready professionals, the above mentioned three NOSs have been submitted for NSQF alignment and approval.
- c. Accordingly, HCL Tech has requested NCVET to consider and review the NOSs for early rollout of the training programs. Keeping in view of the urgency to commence the training on the NOSs to generate much needed trained workforce to empower young individuals of the state and agreement signing with NCVET, the parameters of the NOSs were reviewed in accordance with the NSQF norms in the stakeholders' consultation and the comments and suggestions from the subject matter experts were incorporated in the files. The three NOSs were approved 'on file'. The details of the NOSs are as follows:

Sl. No.	Name of NOS	Entry Requirements	Notional Hours	NSQF Level
1	Java Web Development with AI	Any IT / Computer Science stream graduate or those pursuing graduation in IT/Computer Science from BE/BTech/BSc/BCA (2 <sup>nd</sup> year and above Bachelors' program)	Total – 210 Hours Theory – 70 Hours Practical – 110 Hours OJT – 30 Hours	4.5
2	Full Stack Java Development with AI	Any IT / Computer Science stream graduate or those pursuing graduation (3 <sup>rd</sup> year and above – IT and Computer Science stream in Bachelors' program – BE/BTech/BSc/BCA); (1 <sup>st</sup> year and above Masters' program – MCA, MSc (IT))  The pre-requisite for this NOS is JAVA Web Development with AI NOS (NSQF Level 4.5)	Total – 210 Hours Theory – 70 Hours Practical – 110 Hours OJT – 30 Hours	5
3	Data Engineering with Analytics and Visualization	Any IT / Computer Science stream graduate or those pursuing graduation (3 <sup>rd</sup> year and above - Bachelors' program); (1 <sup>st</sup> year and above Masters' program)	Total – 210 Hours Theory – 80 Hours Practical – 100 Hours OJT – 30 Hours	5

		Non-STEM candidates must complete the Bridge modules on “Data Engineering Fundamentals”, before pursuing this course.

**8. AGENDA ITEM 08: STATUS UPDATE ON DEVELOPMENT OF MODULES/ SUB-MODULES OF EMPLOYABILITY SKILLS/ LIFE SKILLS/ SOFT SKILLS**

8.1 National Council for Vocational Education and Training is developing a flexible model of Employability Skills (ES), which will encompass Soft Skills (SS) and Life Skills (LS) in a dynamic framework. The number of the sub-modules finalised under 9 modules were initially 47 across four variants of NCrf/ NSQF Levels . After some deliberation, it was suggested that the number of the sub-modules be increased to 50, subsequently the amendments have been made. The revised list of modules/sub-modules is attached as Annexure.

8.2 NCVET had informed the NSQC about the development of curricula for the identified Modules and Sub-modules with the contribution from different agencies . It was also mentioned that the work on validation of the same is going on and subsequently further process for development of content for the identified sub-modules in a time bound manner will be undertaken.

8.3 The first round of validation of the curricula has been completed and it is proposed to place the same on National Qualification Register (NQR).

8.4 For the development of the content, NCVET floated 3 RFPs on e-GeM portal under SANKALP scheme for onboarding competent content development agencies. The selected agencies will be required to develop the content including instructor led content and e-content and revalidation of the curricula. Further, the submission of the content by the selected content development agencies has been divided in phases and content validation committee will be formed comprising members from MSDE, NCVET, AICTE, UGC, NCERT, CBSE, NIELET, Skill University and Institutes of Repute, etc. to validate the content developed by the agencies.

8.5 The content developed will be a National Resource which can be used in schools, Higher Education, VETS courses etc. The detailed list of Employability Skills is placed at [Annexure X](#)

**The agenda is placed for information and approval of the Committee.**

**9. AGENDA ITEM 09: SUBMISSION OF QUALIFICATIONS FOR NSQF ALIGNMENT & APPROVAL.**

9.1 A total of **215 (151 New and 64 Revised)** qualifications, **18 NOSs** and **11 Micro-Credentials** have been received at NCVET as on 30<sup>th</sup> November 2023 and **183 (119 New and 64 Revised)** are being considered for placing in this NSQC. Detailed status of the Qualifications received is in succeeding paras. The details of qualifications not being considered is attached at [Annexure IX](#).

**9.2 Qualifications received from all recognized ABs less Indian Defence Forces.**

9.2.1 A total of **128 Qualifications (64 New and 64 Revised)** are being considered from all recognized ABs (less Defence Forces) as above for placing in the 35<sup>th</sup> NSQC. The details of qualifications being considered is as below:

The list of 32 qualifications not being considered in this NSQC is attached at [Annexure IX](#).

**10. AGENDA ITEM 10: CLARIFICATIONS FOR THE ALIGNMENT OF QUALIFICATIONS FOR NSQC APPROVAL**

- 10.1 The National Credit Framework allows for integration of skilling with education to ensure holistic learning. Accordingly, many awarding bodies are bringing qualifications for integration in UG/PG programs. However, some issues have been noticed while considering NSQF alignment and approval of these qualifications:
- 10.2 ABs tend to put the same entry criteria as for a NSQF qualification leading to a job role resulting in confusion in terms of learning outcomes after the student completes their UG/PG program.
- 10.3 The nomenclature remains the same as that of a job role causing difficulty in understanding the final outcome of the jobrole. Eg. An Executive chef job role integrated at level 6 of a UG program may not entitle the learner to become an executive chef immediately after completing their UG.
- 10.3.1 Integration wrt notional hours of the NSQF qualification.
- 10.3.2 Lack of understanding on how to embed certain jobroles with high OJT component
- 10.4 Accordingly, it is clarified that the qualifications being offered as a part of any UG / PG program (Pursuing Education), should conform to the following norms:
- 10.4.1 Only a NOS/ MC/ Foundational Skill Courses (NSQF aligned and approved) of the duration of a single subject will be allowed to be taught in the UG/ PG program. Such a NOS/MC will only be offered as a subject and not with the nomenclature of a jobrole. These shall conform to the NSQF implementation guidelines.
- 10.4.2 Only those, NSQF aligned and approved qualifications/ job roles will be allowed to be taken up as part of UG/PG under the pursuing category which can be offered as a full semester course in the form of internship program/ Project of the duration of such courses, as per the curriculum design of the UG or PG course approved by the highest academic body of the higher education institution. These jobroles shall conform to the NSQF norms and provisions.
- 10.4.3 The nomenclature of all NOSs/ MCs shall be in the nature of a subject name or a skill or a competency. It shall not be shown to be a job role which could mislead the students or the employers.
- 10.4.4 The Skill Courses which are embedded/ built in as a part of the curriculum in the Higher Education programs as per the provisions of NHEQF, the NHEQF norms shall apply. However, the nomenclature of such courses shall also be in the nature of a subject name or a skill or a competency. Such Qualifications shall be of level 4.5 and above.
- 10.4.5 Similar fundamentals (except 6.2.2 above) will also apply to all level 3.5 and level 4 courses which are being offered in class 11th and 12th.
- 10.4.6 Further, for any qualification/jobrole at supervisory or higher level, at least a 'one or two years' of experience, depending upon the established industry practices/ norms, of the previous level as an operator or executive or associate would be mandatory. This

***Agenda for the 35<sup>th</sup> Meeting of NSQC dated 31<sup>st</sup> January 2024***

experience is applicable while considering the employment aspect and not the training aspect. It may however, be noted that for undertaking supervisory role skill courses, the learners should have acquired the necessary skill/experience required to undertake that course.

- 10.4.7 It may be clarified that progression on the academic access does not automatically authorize or enable a person to gain the qualification for a job role on skill axis unless he possesses the requisite qualification of the previous skill level or has adequate experience to perform the job role.
- 10.4.8 Normally the total number of years of academic education and relevant experience considered for entry to an NSQF level qualification has been kept at the corresponding academic NCrF level plus one year. Also, while considering the equivalence of the work experience with the skill and academic learning experience factor of 1.5 has been applied. These shall be kept mind while proposing any new qualifications.
- 10.4.9 As the entry qualification of 12th or 10th it should be recorded as 12th equivalent (Academic) or 10th equivalent (Academic) rather than giving unnecessary and obvious options like 8th/ 10 plus NTC/ NAC/ CTS/ CITS etc as may be applicable.
- 10.4.10 The experience, wherever mentioned, shall only be considered if it is relevant to the job role being considered. Similarly, wherever UG and PG branch of study has relevance to the specific job roles that shall also be mentioned in the qualification.
- 10.5 A separate detailed SOP for integration of Skill based courses in Education (both School and Higher Education) is being prepared and will be shared with all Awarding Bodies.

**Submitted for the kind consideration and approval of the Committee.**
