| Annexure IV. 619 Qualifications whose validity have expired and respective Awarding Bodies have communicated to NCVET for deactivating/archiving. ....   | 103 |
| Annexure V. 794 Qualifications whose content is not available and being considered for archival.....   | 136 |

## **AGENDA ITEM 01: Confirmation of the Minutes of the Meeting of the National Skills Qualification Committee (NSQC)**

- 1.1. The 40th meeting of NSQC was held on 22<sup>nd</sup> October 2024. The Minutes of the Meetings (MoM) were circulated. The Logistics Skill Council (LSC) has submitted a request for change for nomenclature in the Minutes which was erroneously mentioned as “Green Hydrogen SHEQ Manager”. The corrected nomenclature of the qualification may be read as “**Green Hydrogen Supply Chain SHEQ Manager**”.

### **Correction in the 39th Meeting of NSQC (Phase I) held on 25th July 2024**

- 1.2. The DGT has requested change for nomenclature of the qualification erroneously mentioned as "Technician - Additive Manufacturing (3D printing) Technician" in the Minutes in the 39<sup>th</sup> meeting (phase I). The corrected nomenclature may be read as “**Additive Manufacturing (3-D printing) Technician**”.
- 1.3. The nomenclature of one new qualification and one new micro-credential of Retailers Association’s Council of India (RASCI) were erroneously mentioned as “Retail Sales Executive cum Cashier” and “Basics of Artificial Intelligence (AI) for Retail” respectively in the minutes of 39<sup>th</sup> NSQC minutes (phase I). The corrected nomenclature of the qualification and micro-credential may be read as “**Retail Sales Executive**” and “**Fundamentals of Artificial Intelligence (AI) for Retail**” respectively.

**The Minutes of the 39<sup>th</sup> (Phase I) and 40<sup>th</sup> Meeting alongwith corrections are placed for confirmation of the Committee.**

## **AGENDA ITEM 02: Action Taken Report (ATR) on the Decisions Taken in the 40<sup>th</sup> Meeting of the NSQC**

### **2.1. Decisions taken in the 40<sup>th</sup> Meeting of NSQC**

| <b>Sl. No</b> | <b>Subject Matter Pertains to</b>  | <b>Decision of NSQC</b>   | <b>Action Taken / status of Compliance</b>               |
|---------------|--|---|--|
| I.            | Introducing a system of Reassessment and fixing the minimum pass percentage for Skill Based Courses in VETS. | The Committee was apprised that a system of re-assessment is being introduced for Skill-Based Courses in VETS, along with the fixation of a minimum pass percentage and the | The recommendations of the Committee are being finalized |

|      |  |  |   |
|------|--|--|---|
|      |  | recommendations are being finalized.   |   |
| II.  | Applicability of notional hours of employability skills (ES) for NSQF-aligned and approved qualifications of the skill council for persons with disability (SCPwD) | It was decided that once the verification and approval are completed, the list of qualifications will be brought before the NSQC for information and ratification  | Out of 317 number of qualifications SCPwD has uploaded 140 qualifications with the approved 70 Hour Employability Skills Module. The balance 177 are in process of being uploaded.  |
| III. | Qualifications of Leather Sector Skill Council   | 6 qualifications of Leather Sector Skill Council were conditionally approved in the 39th NSQC subject to Leather SSC providing appropriate and relevant evidence of need for these qualifications.<br>Further, Leather SSC was directed to have a meeting with NCVET to discuss the possibility of making qualifications with electives. | Being placed as separate agenda   |
| IV.  | Qualification named Cold Chain Lead from Logistics Skill Council   | Qualification of the Logistics Skill Council was conditionally approved in 40th NSQC subject to stakeholder meeting with concerned SSCs.   | The stakeholder meeting was conducted on 3 <sup>rd</sup> December 2024. It was decided after deliberation that the qualification needs to be reworked upon and resubmitted for NSQC approval. Hence, the approval status is <b>'NOT APPROVED'</b> |
| V.   | Qualification Named 'Ayurveda Therapist of ASAP, Kerala  | The Qualification was conditionally approved owing to nomenclature. The Committee recommended seeking approval from Ministry Ayush   | The Ministry of Ayush has been requested to provide Line Ministry concurrence on the qualification by AB and NCVET vide mails dated 5 <sup>th</sup> November 2024 and 12.11.2024 respectively.<br>The response is awaited.                        |
| VI.  | All qualification of PwD with 'Low Vision' (LV) and 'Visually Impaired' (VI) to be merged  | As per directions of Department for Empowerment for Persons with Disabilities (DEPwD), qualifications mapped to Visually Impaired (VI) and Low Vision (LV) to be merged to form one qualification applicable   | Compliance met. All <b>33 qualification</b> of Visually Impaired (VI) are being archived.   |

|      |   |   |  |
|------|---|---|--|
|      |   | to all candidates with any visual impairment. The committee instructed to merge all such qualifications and revise the nomenclatures as “Name of the Qualification— (VI and LV).” |  |
| VII. | Qualification ‘Remote Sensing Junior Analyst’ from Centurion University of Technology and Management (CUTM) | The qualification ‘Remote Sensing Junior Analyst’ from CUTM was granted conditional approval subject to AB incorporating necessary changes.                                       | Compliance Fulfilled<br><br>Qualification approved and being uploaded on NQR |

**The agenda is placed for information and approval of the Committee.**

**AGENDA ITEM 03: Archival/ De-activation of NSQF aligned and approved Qualifications on NQR**

- 3.1. The National Qualification Register (NQR) portal is a centralized repository for all qualifications which are National Skills Qualification Framework (NSQF) aligned and approved by NSQC. These qualifications are approved with a validity period of 3 years, unless otherwise specified by the NSQC.
- 3.2. NCVET follows the prescribed process of periodical archival of qualifications which fall under the below mentioned criteria:
  - a) The validity of the qualification has expired and the concerned awarding bodies has not taken up the same for revision, hence all such qualification are deemed to be not required in the skill ecosystem.
  - b) Any entity which had got the qualifications NSQF aligned either during the time of NSDA or till 2021 with NCVET and is presently not a recognized awarding body (AB) of NCVET.
  - c) All such Qualifications where there is no training conducted and/or are inactive for more than a year.
  - d) Qualifications which have not been rationalised as per the National Credit Framework (NCrF) and revised National Skills Qualification Framework (NSQF).
  - e) NCVET recognised awarding body has requested for deactivation/archiving of their qualifications.
  - f) Qualifications which have no content (i.e trainers handbook and participant handbook) available even after 90 days of NSQC approval.

3.3. The archival of qualification is a continuous process and so far, **4419 qualifications have been archived in various NSQCs.**

3.4. In pursuance of the mandate, a total of **1413** qualifications have been identified for archival based on the following criteria:

- a) Qualifications whose validity have expired or are having no trainings and respective Awarding Bodies have communicated to NCVET for deactivating/archiving.
- b) Qualifications which have no content available even after 90 days of NSQC approval. In this regard, all ABs were directed to submit an undertaking confirming that all NSQC approved qualifications have content available.

3.5. The details of **1413** qualifications being archived, as per para (a) and (b) below is at **Annexure III**. The snapshot of the same is as below:

- a) **619 Qualifications** whose validity have expired and respective Awarding Bodies have communicated to NCVET for **deactivating/archiving**.

| SI No | Awarding Body   | Number of Qualifications Proposed for Archival |
|-------|---|--|
| 1     | Agriculture Skill Council of India                                    | 27   |
| 2     | Apparel, Made-ups and Home Furnishing SSC                             | 39   |
| 3     | Automotive Skills Development Council                                 | 33   |
| 4     | BFSI SSC  | 1  |
| 5     | Directorate General of Training                                       | 343  |
| 6     | IT-ITeS SSC NASSCOM   | 9  |
| 7     | Management and Entrepreneurship & Professional Skills Council (MEPSC) | 5  |
| 8     | Sector Skill Council for Food Processing                              | 12   |
| 9     | Skill Council for Green Jobs  | 42   |
| 10    | Skill Council for Persons with Disabilities                           | 33   |
| 11    | Textile Sector Skill Council  | 75   |
|       | <b>Grand Total</b>  | <b>619</b>                                     |

b) **794 Qualifications** which have no content available even after 90 days of NSQC approval. (Undertaking along with data received from 39 ABs out of 119 ABs recognized so far)

i. Details of **39 ABs** from whom undertaking have been received

The agenda is placed for approval of the committee

**AGENDA ITEM 04: Ratification of Qualifications/NOS/MC granted on file approval owing to urgency OR extension of Validity**

**4.1. Ratification of approval of One (01) Advanced Diploma Qualification of Tourism and Hospitality Skill Council (THSC)**

4.1.1. The Tourism and Hospitality Skill Council (THSC) has developed and approved a new Diploma titled “**Advanced Diploma in Hospitality Operations**” on 30th August 2024 vide file no. **21002/16/2024/NCVET**. This Diploma integrates two previously approved Qualifications, as detailed below:

| Sl. No | Name of the Qualification | Approved in NSQC | NSQF Level | Entry Criteria     | Notional Hours             |
|--------|---------------------------|------------------|------------|--------------------|----------------------------|
| 1      | Foundation Course in      | 37 <sup>th</sup> | 4.5        | 12th or equivalent | Total: 1200<br>Theory: 720 |

|   |  |                  |   |   |  |
|---|--|------------------|---|---|--|
|   | Hospitality Operations                   |                  |   |   | Practical: 360<br>ES:120   |
| 2 | Advance Course in Hospitality Operations | 37 <sup>th</sup> | 5 | NSQF 4.5 in "Foundation Course in Hospitality Operations" | Total: 1200<br>Theory: 300<br>Practical: 180<br>ES:120<br>OJT: 600 |

**The agenda is placed for ratification by the Committee.**

#### **4.2. Ratification of Approval of 3 conditionally approved qualifications submitted in 39<sup>th</sup> NSQC by Leather Sector Skill Council**

4.2.1. Six qualifications submitted by Leather Sector Skill Council were presented in the 39<sup>th</sup> NSQC (Phase-II) meeting held on 27<sup>th</sup> August 2024. The committee granted conditional approval to Six (06) qualifications (listed below) subject to Leather SSC providing appropriate and relevant evidence of need for these qualifications. The Committee directed that a meeting to be held between NCVET and Leather SSC to discuss these qualifications.

| S. No. | Type of Qualification | Qualification Name                                   |
|--------|-----------------------|--|
| 1      | New                   | Footwear and Components Testing Junior Technician    |
| 2      | New                   | Assembly & Stitching – Assistant Supervisor (Gloves) |
| 3      | New                   | Knitting Machine Operator - Footwear                 |
| 4      | New                   | Footwear Sole Production Operator                    |
| 5      | New                   | Quality Control Inspector (Goods and Garments)       |
| 6      | New                   | Parts Making Helper (Goods & Garments)               |

4.2.2. Accordingly, two meetings were held between NCVET and Leather SSC i.e on 17<sup>th</sup> September 2024 and 18<sup>th</sup> November 2024 wherein the Leather SSC was directed to revise the Occupational Map in line with the current industry demand.

4.2.3. Further, in the meeting, Leather SSC requested that approval may be granted for two qualifications namely '*Quality Control Inspector - Leather Accessories & Garments*' and '*Parts Making Helper (Goods & Garments)*' for implementation in PMKVY 4.0. The AB has revised these qualifications with additional NOSs and aligned with NSQF standards during submission in the 39<sup>th</sup> NSQC.

4.2.4. After detailed deliberation, it was decided that out of the total 6 qualifications, total of 3 qualifications namely- *Quality Control Inspector - Leather Accessories & Garments*, '*Parts Making Helper (Goods & Garments)*' and "*Footwear and Components Testing Junior Technician*" may be considered for approval as they fulfil the requisite criteria. The balance 3 qualifications were not approved.

4.2.5. Accordingly, the summary of final decisions taken during the meeting held on 18<sup>th</sup> November 2024 is as follows:

| S. No. | Type of Qualification | Qualification Name                                   | Notional Hours | NSQF Level | Decision Taken |
|--------|-----------------------|--|----------------|------------|----------------|
| 1      | New                   | Footwear and Components Testing Junior Technician    | 390            | 4          | Approved       |
| 2      | New                   | Quality Control Inspector (Goods and Garments)       | 390            | 4.5        | Approved       |
| 3      | New                   | Parts Making Helper (Goods & Garments)               | 270            | 2          | Approved       |
| 4      | New                   | Assembly & Stitching – Assistant Supervisor (Gloves) | 420            | 4.5        | Not Approved   |
| 5      | New                   | Knitting Machine Operator - Footwear                 | 330            | 3          | Not Approved   |
| 6      | New                   | Footwear Sole Production Operator                    | 330            | 3          | Not Approved   |

4.2.6. This was approved on file vide file no: 21002/08/2024/NCVET dated 04<sup>th</sup> December 2024.

**The agenda is placed for ratification by the Committee.**

### **4.3. Ratification of Extension of Validity of Six (06) Qualifications of Banking, Financial Services, and Insurance Sector Skill Council (BFSI SSC)**

4.3.1. Six (06) qualifications of BFSI SSC were approved in the 13<sup>th</sup> NSQC meeting held on 25<sup>th</sup> November 2021. The validity of these qualifications was to expire on 25<sup>th</sup> November 2024 and were due for revision.

4.3.2. The BFSI SSC informed that they are in the process of revising these qualifications as per industry requirements and will submit the revised qualifications shortly. However, these six qualifications are currently being implemented under various government schemes, including PMKVY and DDUGKY program, across several states such as Chhattisgarh, Rajasthan, Madhya Pradesh, Himachal Pradesh, Jammu and Kashmir, Kerala, Tamil Nadu, etc.

4.3.3. The details of the training undertaken in these qualifications over the last three years along with the pending assessments of ongoing batches are as follows:

| S No. | Qualification                          | NSQF Level | Total Notional Hours | NQR code                         | NSQC Approval Date | Training since last revision | Ongoing Training |
|-------|--|------------|----------------------|----------------------------------|--------------------|------------------------------|------------------|
| 1     | Debt Recovery Agent                    | 4          | 480                  | QG-04-BF-02350-2024-V1.1-BFSISSC | 25/11/2021         | 4078                         | 771              |
| 2     | Credit Processing Officer              | 4          | 480                  | QG-04-BF-02353-2024-V1.1-BFSISSC | 25/11/2021         | 1991                         | 685              |
| 3     | Microfinance Executive                 | 3          | 420                  | QG-03-BF-02352-2024-V1.1-BFSISSC | 25/11/2021         | 16881                        | 2344             |
| 4     | Insurance Agent                        | 3          | 420                  | QG-03-BF-02351-2024-V1.1-BFSISSC | 25/11/2021         | 841                          | 618              |
| 5     | Mutual Fund Distributor                | 3          | 420                  | QG-03-BF-00132-2023-V1.1-BFSISSC | 25/11/2021         | 4690                         | 60               |
| 6     | Business Correspondent/<br>Facilitator | 4          | 480                  | QG-04-BF-02349-2024-V1.1-BFSISSC | 25/11/2021         | 20794                        | 4902             |

4.3.4. Accordingly, BFSI requested to extend the validity of the above mentioned six qualifications for a period of 06 months i.e., till 24th May 2025. BFSI SSC have affirmed that no new trainings shall be undertaken on these 6 qualifications and will submit the revised qualifications at the earliest. The same was approved on file vide file no **32001/11/2023/NCVET** dated **06<sup>th</sup> December 2024**.

**The agenda is placed for ratification by the Committee.**

#### **4.4. Ratification for Extension of Validity for 8 Qualifications of Agriculture Skill Council of India (ASCI) approved in 38th NSQC held on 30<sup>th</sup> May 2024**

4.4.1. The 38<sup>th</sup> meeting of National Skills Qualification Committee (NSQC) held on **30<sup>th</sup> May 2024** accorded its approval to eight (08) revised qualifications of Agriculture Skill Council of India (ASCI) for a **period of six months** i.e till **30<sup>th</sup> November 2024, as per the policy**, owing to less trainings conducted under these qualifications with provision for extension of validity subject to submission of reasonable and valid justification for enhanced demand on those qualifications.

4.4.2. The details of the approved qualifications are as given below:-

| Sl.No | Name of qualification  | Notional Hours                   | Level | No. or trainings conducted/ Projected |
|-------|--|----------------------------------|-------|---------------------------------------|
| 1.    | Flower Packager and Palletizer   | 270                              | 2.5   | 120                                   |
| 2.    | Florist  | 270                              | 2.5   | 120                                   |
| 3.    | Pesticide & Fertilizer Applicator  | 270                              | 2.5   | 320                                   |
| 4.    | Plant Tissue Culture Technician  | 390                              | 4     | 107                                   |
| 5.    | Harvesting Machinery Operator (Option 1: Post-harvest machineries operation) | Min: 390<br>Max: 420<br>(390+30) | 4     | 239                                   |
| 6.    | Repair and Maintenance Technician (Farm Machinery)                           | 390                              | 4     | 350                                   |
| 7.    | Repair and Maintenance Supervisor (Farm Machinery)                           | 480                              | 5     | 267                                   |
| 8.    | Custom Hiring Centre In-charge (Agri Machinery)                              | 480                              | 5     | 205                                   |

4.4.3. Accordingly, ASCI vide email dated 13<sup>th</sup> November 2024 requested for **extension of validity for a total of three (03) years i.e till 30<sup>th</sup> May 2027** from the date of approval i.e 30<sup>th</sup> May 2024 citing trainings undertaken and demand on these qualifications.

4.4.4. The qualifications were reviewed and scrutinized as per the justification/evidence submitted by ASCI and accordingly were granted approval for extension of validity for **an overall duration of 3 years i.e upto 30<sup>th</sup> May 2027**. The same was granted 'on file' approval vide file no. **21002/01/2023/NCVET** dated **9.12.2024**.

**The agenda is placed for the ratification by the Committee.**

**AGENDA ITEM 05: Modification in the NSQF Level of Four (04) Qualifications Received from Directorate General of Training (DGT)**

5.1. During the 39th meeting (Phase I) of the National Skills Qualifications Committee (NSQC), held on 25<sup>th</sup> July 2024, the following qualifications developed by Directorate General of Training (DGT), were approved.

| S. No | Name of the Qualification | NSQF Level approved | Notional Hours Approved |
|-------|---------------------------|---------------------|-------------------------|
| 1     | Industrial IoT Technician | 3.5                 | 1350                    |
| 2     | CNC machining Technician  | 3.5                 | 1350                    |

|   |   |     |      |
|---|---|-----|------|
| 3 | Virtual Analysis and Designer - FEM (Finite Element Method) | 3.5 | 1350 |
| 4 | Aeronautical Structure and Equipment Fitter                 | 3.5 | 1350 |

**5.2.** Subsequently, NCVET received a letter dated 22<sup>nd</sup> November 2024 from DGT, requesting a change in the NSQF level and the notional hours of the above-mentioned qualifications due to an inadvertent oversight while submitting the qualifications, wherein the level and notional hours were mentioned as 3.5 and 1350 hours respectively. Since these qualifications are two year program after 10<sup>th</sup> grade, as per NSQF norms, these qualifications were to be pegged at NSQF Level 4 while the overall learning hours would be 2700 hours.

**5.3.** The request of the DGT was reviewed, and the change has been found to align with NSQF level 4. In view of justification provide by the DGT, it is proposed to change the NSQF levels of the following qualifications as per the details given below.

| SI No | Name of the Qualification                                   | Entry criteria              | Proposed notional hours | Proposed Level as per NCrf |
|-------|---|-----------------------------|-------------------------|----------------------------|
| 1     | Industrial IoT Technician                                   | 10 <sup>th</sup> grade pass | Total- 2700             | 4.0                        |
| 2     | CNC machining Technician                                    |                             | Theory- 720             | 4.0                        |
| 3     | Virtual Analysis and Designer - FEM (Finite Element Method) |                             | Practical- 1680         | 4.0                        |
| 4     | Aeronautical Structure and Equipment Fitter                 |                             | OJT- 300<br>Mandatory   | 4.0                        |

**The agenda is placed for approval by the Committee**

**AGENDA ITEM 06: Approval of Nine (09) Revised Qualifications Submitted By Agriculture Skill Council of India (ASCI)**

**6.1.** Agriculture Skill Council of India (ASCI) requested for approval of nine (09) revised qualifications which were due for expiry on 25th November 2024. The details of qualifications are as given below:

| S. No | Name of Qualification  | NSQF Level | Notional Hours                        |
|-------|--|------------|---------------------------------------|
| i.    | Livestock Service Provider<br>Elective 1: Program implementation and livestock marketing<br>Elective 2: Small farm animal breeding | 4          | Min: 450<br>Max: 540<br>(450 + 30+60) |
| ii.   | Artificial Insemination Technician<br>Elective : Program implementation and livestock marketing                                    | 4          | Min: 390<br>Max: 420<br>(390+30)      |
| iii.  | Greenhouse Operator<br>Elective : Undertake basic entrepreneurial activities for small enterprise                                  | 3          | Min: 270<br>Max: 300<br>(270+30)      |
| iv.   | Tractor Service Mechanic<br>Elective : Repair and maintenance of farm implements   | 4          | Min: 390<br>Max: 450<br>(390+60)      |
| v.    | Combine Harvester Machine Operator   | 4          | 390                                   |
| vi.   | Farm Workshop Service Manager  | 6          | 570                                   |
| vii.  | Poultry Farm Worker  | 3          | 270                                   |
| viii. | Poultry Hatchery Operator  | 3          | 300                                   |
| ix.   | Poultry Hatchery Supervisor  | 5          | 480                                   |

6.2. ASCI informed that these nine qualifications have ongoing trainings and certification and hence requested for urgent approval to prevent disruption in trainings.

6.3. After detailed scrutiny as per the prescribed process and conduct of stakeholder consultation and to have continuity of trainings in these nine qualifications, it is proposed that the qualifications may be approved for a period of three years with effect from 26<sup>th</sup> November 2024.

**The agenda is placed for approval by the Committee**

**AGENDA ITEM 07: Selection Of Qualification from NQR Portal/SIDH by Stakeholders (NCVET Recognised Awarding Bodies/Training Partners/Training Centres) for Training of Learners on any Government Scheme/ Fee Based Schemes**

7.1. NCVET has been receiving requests from recognised Awarding Bodies, Ministries executing skill training and states regarding certification of qualifications which have been deactivated/archived due to various reasons like expiry of validity, revision/rationalization of qualification etc.

7.2. In most of the cases, the concerned Awarding Body is approached for assessment and certification only after any State/Ministry has already

selected the qualification and commenced the training, irrespective of its validity. Further, it has been observed that in majority of such cases, Training of Trainers is not conducted as per NCVET Guidelines.

- 7.3. This often results in, compromising the minimum quality standard set by the NCVET in ensuring the development of competency of the learners in that particular job role as well as improper record keeping on SIDH. In certain cases this has also resulted in avoidable legal complications with the learners facing the maximum impact.
- 7.4. All such cases received so far in NCVET, were analysed and deliberated, and it is proposed that all concerned be sensitised to ensure adherence of the policy published by NCVET after due deliberation with the stakeholders and any non-compliance of the policy may result in suitable action prescribed by NCVET or scheme implementing authorities.
- 7.5. In view of the above following are proposed before the Committee:
  - 7.5.1. **Selection of Job Roles/Qualification from NQR Portal/SIDH:** All NSQF aligned Job roles/qualifications being selected by any associated organisation of NCVET including TP/TC accredited on SIDH, should select the same from NQR Portal which is also visible on the Skill India Digital Hub Portal. In case of any data discrepancy w.r.t eligibility/validity/NSQF level/Notional Hours/ Credit, the credentials available on NQR portal shall be considered as authentic and final. Additionally, in such cases NCVET may be communicated for resolving discrepancy, if any.
  - 7.5.2. **Validity of selected NSQF aligned Job Role/Qualification:** No NSQF aligned Qualification should be taken for the vocational training whose validity is less than a year/has expired and archived, including for any govt scheme. However, if it is felt necessary, NCVET may be communicated vide mail to take extension of the validity for a specific scheme/project only, or alternatively, NCVET may be requested for revision of qualification 'On Priority' before commencement of the qualification.
  - 7.5.3. **Process for selection of archived job role/qualification:** Any NSQF aligned Qualification which has a validity of more than a year but has been archived on account of no/zero training numbers may be taken by the stakeholders. However, it may be ensured that the NCVET recognised AB who has developed that qualification must be informed and AB has taken the approval of the Regulating body to de-archive the qualification. Under no circumstances, qualification/job role archived should be taken for training either in any govt scheme or for fee based training, without following the above process.

**The agenda is placed for consideration and approval of the Committee.**

## AGENDA ITEM 08: Submission of Qualifications for NSQF Alignment & Approval

- 8.1. A total of **224** Qualification/NOSs/MCs have been **received** at NCVET till September 2024. Of these, **103** Qualification/NOSs/MC are meeting the criteria for consideration in NSQC and **121** Qualifications/NOS/MC (87 Qualifications, 21 NOSs and 13 MCs) have compliance issue. However, **73** of these 103 qualifications/NOSs/MCs are being placed for consideration in the NSQC. Balance **30** qualifications/NOSs/MCs of **9** ABs are not being considered pursuant to the decision of the 40<sup>th</sup> NSQC held on 22<sup>nd</sup> October 2024 wherein it was reiterated by the Committee that no qualifications shall be considered by NSQC with respect to ABs who have not uploaded/ updated already approved qualifications on NQR. The details are as under:

| Type                 | Received   |           |            | Considered |           |           | Not Being Considered |              |
|----------------------|------------|-----------|------------|------------|-----------|-----------|----------------------|--------------|
|                      | New        | Revised   | Total      | New        | Revised   | Total     | Compliance           | NQR Pendency |
| <b>Qualification</b> | 71         | 97        | 168        | 23         | 38        | 61        | 87                   | 20           |
| <b>NOS</b>           | 30         | 0         | 30         | 5          | 0         | 5         | 21                   | 4            |
| <b>MC</b>            | 26         | 0         | 26         | 7          | 0         | 7         | 13                   | 6            |

### Any other remark:

- The NOS is designed to equip individuals with the requisite knowledge and skills in plastic waste management aligned with the latest industry practices and established procedural guidelines. The objective is to enable individuals to efficiently initiate plastic waste management start ups or established material
- After doing this learners will be able to identify and classify the various types of plastic analyze and articulate the adverse impacts of plastic pollution on the ecosystem and develop and implement optimal measures for effective management of plastic waste, ensuring compliance with prevailing regulatory and procedural norms.
- There is an already existing qualification on NQR on **Plastic Waste Segregator** which is primarily based on the aspect of recycling of Plastic. The other courses on waste management are technical and require knowledge about the scientific and technical operations. However, this NOS extends its scope to include understanding hazards caused y different plastics including micro plastics on environment as well as human body, visit material recovering facility **all in form of an upskilling module not currently available on NQR**

**Any other remark:**

- Previously approved qualification: Women's Tailor approved in 38<sup>th</sup> NSQC.
- Qualification has been revised with following changes:  
Four Electives added: 1. Pattern Drafting and cutting (women's garments), 2. Pattern Drafting and cutting (men's garments), 3. Stitching (women's garments), 4. Stitching (men's garments) .A Tailoring course with 4 electives offers comprehensive, multi-skill training with the flexibility to choose electives based on individual interests, needs, and career goals. The Qualification also includes drafting, cutting and stitching of Home Furnishing articles

**Any other remark:**

1. The course on Data analytics emphasizes communicating and visualizing insights derived from data while fostering essential data literacy to understand, adapt to, and respond to emerging technologies such as Artificial Intelligence.
2. Similar concepts (part of the NOS submitted by IBM) are covered in Data Analysis – IBM from NASSCOM with 151 Hours at NSQF Level 4.5.
3. The SSC NASSCOM qualification focuses on the practice of Python, Cognos, and Excel to conduct Data Analysis and mainly focuses on competencies in Data analytical tools whereas the IBM SkillsBuild qualification covers core concepts and practices in statistics with 6 data analysis projects and a capstone from different industries and mainly focuses on foundational competencies in Statistics, Data Analysis, and Decision Making.

| <b>Any other remark:</b><br>1. The course builds knowledge of cybersecurity analyst tools, covering areas such as data protection, endpoint protection, SIEM (Security Information and Event Management), and the fundamentals of systems and networks.<br>2. Similar concepts (part of the NOS submitted by IBM) are covered in Cybersecurity Analysis – IBM (OEM) from NASSCOM with 128 Hours at NSQF Level 4.5 and Cybersecurity from NASSCOM with 510 Hours at NSQF Level 4.5.<br>3. The IBM SkillsBuild qualification embeds more tools like QRadar SIEM and other EDR tools, IBM QRadar Advisor with Watson. It also prepares learners for threats on cloud infrastructure, AT, IoT, 5G Networks, Quantum Computing and Biotechnology. |  |           |  |                                      |                                       |                               |                              |              |                                       |  |

**Any other remark:**

- The “Garment Maker” manages garment production, from material selection to final quality checks, ensuring designs meet specifications.
- Previous version qualification named “Garment Manufacturing” at NSQF level 3 was approved by NSQC on 09.04.2018, but expired on 2021 and now resubmitted as new qualification
- Changes made: 3 electives added; Eligibility, NOS duration as per NCrF, Employability Skill, OJT added. The Qualification includes stitching of Children’s garments.
- Dept. of TET&SD, Govt of West Bengal has raised a demand of around 50000 training on this Qualification.

**Any other remark:**

- Previous version qualification named “**2/3-Wheeler Mechanic/Technician**” at NSQF level 3 was approved on **27.01.2017, valid till 2020**.
- New version of qualification “**Two/Three Wheeler Mechanic (Including LPG & CNG)**” includes the features and servicing of LPG/CNG two/three wheelers.
- The qualification – “Two/Three Wheeler Mechanic- has more than 20% variation from the existing similar qualification of Two Wheeler Service Technician at NSQF level 4 and Two wheeler Service Assistant at NSQF level 3 of Automotive Skill Development Council
- About 240 Vocational Training centres since 2006 in the state of West Bengal have been conducting the training on “2/3 Wheeler Mechanic/Technician”.

**Any other remark:**

Previous Version Name- Upcycling Scraps and E-waste Artisan NSQC approval DATE- 14th NSQC - 30th December 2021

- The heritage of working with upcycled materials often involves sustainable practices.
- The growing demand for eco-friendly and upcycled products helps sustain traditional crafts while addressing environmental concerns.
- Expertise in handling and transforming diverse materials, including glass scraps, metal scraps, rubber scraps, wooden scrap, and electronic components, is crucial.
- Inclusion of the process of plastic scraps and cloth scraps
- Addition of the module of entrepreneurship skills in upcycling scraps and e-waste Sector

**Any other remark:**

- Inclusion of revised GMP guidelines:** Existing NOS **LFS/N0264 (PC3 ,PC8 )** have been revised to include the skills required as per the revised current Good Manufacturing Practices (cGMP) guidelines released by CDSCO in January 2024
- This qualification is also aligned to Skills for Industry 4.0 and Skill Lab Simulations are on Automated Machines to consider futuristic Skills, while Industry is Still upgrading from Semi Automated to Automated Systems
- Addition of New NOS:** Based on the feedback received from NCVET, we have converted the bridge module of the existing version related to the introduction to the Life Sciences sector and occupation as a new NOS in the version 4.0 of this qualification
- We have revised Version 3 of the NSQC-approved Qualification for Assistant- Secondary and Tertiary Packaging (Pharma, Biologics and Medical device) LFS/Q0217 approved in 14th NSQC, as this qualification is valid till 31 December 2024 and due for its scheduled revision.

**Any other remark:**

- **Inclusion of revised GMP guidelines:** Existing NOSs **LFS/N0530 (PC4)** ,**LFS/N0561 (PC8)** and **LFS/N0562 (PC9)** have been revised to include the skills required as per the revised current Good Manufacturing Practices (cGMP) guidelines released by CDSCO in January 2024
- Revised the NSQF level of qualification from Level 3 to Level 3.5 as per the revision in NSQF level.
- Changed the Entry Criteria in line to NCrF Level Guidelines
- Addition of New NOS: Based on the feedback received from NCVET, we have converted the bridge module of the existing version related to the introduction to the Life Sciences sector and occupation as a new NOS in the version 3.0 of this qualification.
- We have revised Version 3 of the NSQC-approved Qualification for Lab Technician-Research and Quality Control - LFS/Q0509 approved in 14th NSQC, as this qualification is valid till 31 December 2024 and due for its scheduled revision.
- **It is a Cross-Sectoral Qualification** Applicable to Food , Agriculture, Space and Chemical industry

**Any other remark:**

- **Inclusion of revised GMP guidelines:** Existing NOSs **LFS/N0342 (PC6), LFS/N0343 (PC7) and LFS/N0110 (PC10)** have been revised to include the skills required as per the revised current Good Manufacturing Practices (cGMP) guidelines released by CDSCO in January 2024
- Revised the NSQF level of qualification from **Level 5 to Level 5.5** as per the revision in NSQF level.
- **Addition of new PCs:** Added new Performance Criteria in **LFS/N0342 (PC4, PC7)** as per inputs from SME
- **Addition of New NOS:** Based on the feedback received from NCVET, we have converted the bridge module of the existing version related to the introduction to the Life Sciences sector and occupation as a new NOS in the version 4.0 of this qualification
- We have revised Version 3 of the NSQC-approved Qualification for Microbiologist-Quality Control - LFS/Q0308 approved in 14th NSQC , as this qualification is valid till 31 December 2024 and due for its scheduled revision.
- It is a Cross-Sectoral Qualification Applicable to Food and Agriculture Industry

**Any other remark:**

- Revised the qualification to in line with **the revised UCPMP (Uniform Code of Pharmaceuticals Marketing Practices) 2024 guidelines** released by Department of Pharmaceuticals (DoP), Ministry of Chemicals and Fertilizers in **LFS/N0402 (PC9)**
- Revised the **NSQF level** of qualification from **Level 4 to Level 4.5** as per the revision in NSQF level.
- Addition of New NOS: Based on the feedback received from NCVET, we have converted the bridge module of the existing version related to the introduction to the Life Sciences sector and occupation as a new NOS in the version 4.0 of this qualification
- We have revised Version 3 of the NSQC-approved Qualification for Medical Sales Representative - LFS/Q0404 approved in 14th NSQC, as this qualification is valid till 31 December 2024 and due for its scheduled revision.

**Any other remark:**

- The Entrepreneurship in Solar Water Heater Manufacturing is a new qualification in which the objective is to promote new entrepreneurs in this sector as the current robust solar water heater market in India has witnessed significant growth in recent years due to increasing awareness of renewable energy, rising energy costs, and government initiatives promoting clean energy adoption.
- The Indian government has launched a significant initiative to rapidly integrate solar power into its renewable energy system including PM Surya Ghar Muft Bijli Yojana, PM Kusum Yojna etc.
- The Entrepreneurship in Solar Water Heater Manufacturing Business is a specialized program structured to equip individuals with the essential competencies necessary to initiate and effectively manage their own small-scale enterprise in the field of solar water heater manufacturing.

**Any other remarks:**

- **The carbon accounting is mandatory part of reporting carbon compliance of an industry.** It involves assessing a company's **carbon footprint, exposure to climate risks, and progress on decarbonization.**
- This job role is primarily **undertaken by the professional of Environmental Health and Safety (EHS) Staff department.** Trainees in Carbon Accounting may also acquire skills in Life Cycle Assessment, making them **progress towards managerial positions.**
- The present micro credential will focus **to upskill existing EHS staff either Technical Executive or Associates** in industry to account carbon as per ISO 14064 protocol.
- The learner can further upskill by doing **already existing micro credential on GHG Accounting and Sustainability Reporting** which caters to **Job roles at Manager Level** since **reporting of carbon** requires slightly advanced set of skills as compared to accounting of carbon.

**Any other remarks:**

- With India committing to achieving net-zero emissions by 2070, Environmental, Social and Governance (ESG ) compliance is a critical tool for **aligning corporate strategies with national and international sustainability targets.**
- The SEBI-mandated Business Responsibility and Sustainability Reporting (**BRSR**) framework underscores the importance of ESG compliance for the top 1,000 listed companies in India, ensuring transparency in areas such as carbon emissions, resource utilization, social impacts, and governance practices. As **global markets increasingly prioritize ESG-compliant businesses**, Indian companies must align with these standards to remain competitive and attract investments. Furthermore, ESG practices foster **long-term value creation**, making them indispensable for business growth and societal progress.
- Those skilled in BRSR may also understand Global Reporting Initiatives (GRI ) formats and business development, **progressing them** for senior management roles.

**Any other remarks:**

- The training component will provide **basic skills of operations of fuel cells**. It is required for **upskilling of existing operator of Diesel Generator or professionals working on internal combustion engine, energy storage**. The content **may be also be utilized in university education** to ensure that learners have well rounded understanding of the interdisciplinary concepts in hydrogen fuel cell technology.
- This MC focuses on building foundational technical skills in hydrogen fuel cell operations. The learner can then add further up-skill in Operations and Maintenance supervision by taking up the MC on Fundamentals of Business Development in Hydrogen Fuel Cell to enable career advancement in fuel cell technology sectors.
- The widespread adoption of fuel cell technologies is projected to create a significant number of jobs. Some of the largest potential markets for the technology include **stationary power generation, portable power, transportation, such as long-distance trucking, shipping, aerospace, and excess renewable energy storage**.
- In the Fuel Cell sector, individuals with foundational financial and team planning skills may **progress to** Entrepreneur or Business Head roles.

**Any other remarks:**

- This MC is required primarily for **business development professionals in the hydrogen fuel cell sector** to capitalize on emerging opportunities in **stationary power, portable power, and transportation industries, driving growth across production, distribution, and market expansion.**
- This MC aligns with the hydrogen sector's growing demand for professionals skilled in both technical and **business applications of fuel cells. It bridges the gap between current knowledge and practical needs in the green hydrogen economy**
- Hydrogen fuel cell technologies are projected to create significant employment opportunities and needs for Business developers across various sectors like **transportation, power generation, energy storage, and industrial applications.** This MC equips learners for roles in a rapidly expanding job market.
- This MC may be considered as successor to Fundamentals of Hydrogen fuel Cell at level 4.0
- In the Fuel Cell sector, **individuals who gain Operation and Maintenance supervisory skills may progress towards** favorable industry positions.
