Government of India
Ministry of Skill Development & Entrepreneurship
(National Council for Vocational Education & Training)

Kaushal Bhawan, New Delhi-110023

Dated: 16th January 2026

ORDER

Subject: Extension of validity of qualifications up to 28 February 2026

The National Council for Vocational Education and Training (NCVET) has received representations from various Awarding Bodies seeking extension of validity of certain qualifications which have either expired or are nearing expiry. It has been reported that these qualifications are presently operational within the skill ecosystem and that their expiry is resulting in operational challenges, including the inability to create new batches, disruption of ongoing batches, and pendency of assessments and certifications.

After due consideration of the representations received and keeping in view the need to avoid disruption to ongoing and planned training, assessment, certification, and allied activities, it is hereby ordered as follows:

1. The validity of the qualifications listed in **Annexure I**, which have either expired or are nearing expiry prior to the conduct of the forthcoming meeting of the National Skills Qualifications Committee (NSQC), is hereby extended on an interim basis up to **28 February 2026**.
2. This interim extension is granted in view of the fact that the said qualifications are currently operational and/or have been undertaken under various schemes, programmes, and Corporate Social Responsibility (CSR) initiatives, and to ensure continuity of training, assessment, certification, and related activities.
3. The extension is temporary and subject to the condition that the concerned Awarding Bodies shall submit the revised and/or extended Qualifications for consideration in the **45th meeting of the NSQC** through the **KaushalVerse portal**, in accordance with the prescribed guidelines, procedures, and timelines.
4. It is further clarified that this interim extension shall not be construed as approval of the qualifications beyond the stipulated period, and the continuation of the qualifications beyond **28 February 2026** shall be subject to the decision of the NSQC.
5. This Order is issued with the approval of the competent authority.
