The committee approved the same.</p>

AGENDA ITEM 03: Proposal for Extension of Validity of NOSs and Certificates of Master Trainers, Master Assessors, Trainers, and Assessors trained under the PM Vishwakarma Scheme

3.1 The PM Vishwakarma Scheme was launched by the Hon'ble Prime Minister in September 2023 to enable the recognition of artisans and craftspeople as Vishwakarmas; to provide skill

upgradation to hone their skills and make relevant and suitable training opportunities available to them; and to provide support for better and modern tools to enhance their capability, productivity, and the quality of products and services. Skill training under the Scheme comprises Basic Training (40 hours) and Advanced Training (120 hours) across 18 trades. The National Skills Qualification Committee (NSQC), in its 31st and 36th meetings, accorded approval to 56 NOS (28 for basic and 28 for advance training) across 18 identified trades to be imparted.

3.2 The Ministry of Skill Development and Entrepreneurship (MSDE), vide D.O. letter No. PMV-11/2/2026 dated 03.03.2026, has requested NCVET to consider the following proposals relating to the extension of validity of NOSs and trainer/assessor certificates under the Scheme:

- i. A total of 56 NOSs have been NSQF aligned and approved by NCVET. Most of the NOSs (39 in total) were approved with validity specified as “*Co-terminus with the PM Vishwakarma Scheme, subject to midway changes in the qualifications*”. However, some Advanced Training qualifications (17 in number) were approved with a validity of three (03) years, with next review date in 2027. The list of qualifications is attached at [Annexure II](#). MSDE has requested for **extension of the validity of National Occupational Standards (NOSs) for all the qualifications under the Scheme (for both Basic and Advanced Training) uniformly as “co-terminus with the PM Vishwakarma Scheme, subject to midway changes in the qualification.**
- ii. The certificates issued to Master Trainers, Master Assessors, Trainers, and Assessors trained under PM Vishwakarma Scheme generated two years ago, have either stand expired or are expiring soon as per TOT and TOA guidelines. The number of expired or about-to-expire certificates is approximately **10,900**, in view of the provisions of the ToT **Guidelines**. Of these, **3,732 certificates had expired as of January 2026**, and an additional **approximately 7,085 certificates are expected to expire by March 2026**. MSDE has requested for **extension of the validity of these certificates coterminous with the PM Vishwakarma scheme.**

3.3 As per **Clause 10.5.2(a)(i)** of the NCVET Training of Trainers (ToT) Guidelines, the ToT certifications issued prior to the notification were allowed to remain valid for the period specified in the respective certifications or for a period of **two (02) years** from the date of issuance of the Guidelines, whichever is earlier, so as to ensure that the transition to the new ToT framework does not disrupt the existing training ecosystem. **Similarly, assessors engaged for assessment of trainees under the Scheme are required to hold valid certifications in accordance with the Training of Assessors (ToA) Guidelines, under which the validity of assessor certification is three (03) years.**

3.4 It is pertinent to mention that the Ministry of Skill Development and Entrepreneurship (MSDE), vide its Order No. SCH-11/2/2025-O/o PMKVY, constituted a Committee for “Re-strategizing the Training of Trainers and Assessors Framework for the Skilling Ecosystem”, with the

objective of reviewing and redefining the existing framework for the training of trainers and assessors within the skilling ecosystem. The Committee submitted its report on 06 October 2025, which is currently under consideration by MSDE. The report addresses, inter alia, the issue of validity of Training of Trainers (ToT) and Training of Assessors (ToA) certifications. As per the recommendation, ToT/ToA certification shall be granted with **lifetime validity** once a trainer/assessor successfully completes the NSQF-aligned ToT/A programme, subject to the following conditions:

- i. Compliance with Continuous Professional Development (CPD) requirements every three years, ensuring that trainers periodically update their knowledge and skills without repeating the initial ToT course.
- ii. Exceptional conditions, such as failure to meet CPD standards. In cases where there are substantial changes in the qualification(s) (more than 25%), upskilling through relevant National Occupational Standards (NOS)/Micro-Credentials (MC) approved by NCVET shall be undertaken.

3.5 In view of the above and in alignment with the recommendations of the committee, it is proposed to

- i. Grant an exception for extending the validity of fresh/renewed certificates of all Master Trainers, Master Assessors, Trainers, and Assessors trained under the scheme, making them co-terminus with the PM Vishwakarma Scheme, subject to midway changes in the course content.
- ii. Extend the validity of National Occupational Standards (NOSs) for all the qualifications under the Scheme (for both Basic and Advanced Training) uniformly as “co-terminus with the PM Vishwakarma Scheme, subject to midway changes in the qualification.”

The committee considered and approved the above recommendations.

AGENDA ITEM 04: Ratification of adoption of Qualifications by West Bengal State Council of Technical and Vocational Education and Skill Development (WBSCTVESD)

4.1 West Bengal State Council of Technical and Vocational Education and Skill Development (WBSCTVESD) had submitted a request for adoption of 15 qualifications of various Awarding bodies. 6.4 The details of discussion and decision taken by 48th NSQC are given in para below and summary is attached at [Annexure III](#):

6.4.1. Agriculture Skill Council of India

The Committee considered Four (04) Revised Qualifications and One (01) New Micro Credential. Out of these, Two (02) Revised Qualifications and One (01) New Micro Credential were approved. Two (02) Revised Qualifications namely, 'Spice Crop Grower' and 'Garden cum Nursery Raiser' was approved with changes in employability skills and OJT hours.

6.4.2. Beauty and Wellness Sector Skill Council

The Committee considered Two (02) New Qualifications and approved One (01) New Qualification. One (01) New Qualification namely, 'Obesity and Weight Management Counsellor' is approved with changes in notional hours (including practical hours). The line ministry concurrence was erroneously written as rejected instead of awaited.

6.4.3. Bharatiya Engineering Science & Technology Innovation University (BESTIU)

The Committee considered One (01) New Qualification namely, 'Cruise Hospitality Services Associate' and advised NCVET to undertake an additional stakeholder consultation with cruise operators (both Indian and international), the Tourism Sector Skill Council, and 5-10 relevant industry stakeholders to assess the alignment of the proposed qualification with industry requirements and to ascertain the potential for industry adoption and recruitment of candidates holding this qualification.

The proposal may thereafter be placed before the NSQC in its subsequent meeting for consideration.

6.4.4. Directorate General of Training

The Committee considered Four (04) Revised Qualifications and approved the same.

6.4.5. Electronics Sector Skills Council of India

The Committee considered One (01) Revised Qualification and approved the same.

6.4.6. Ganpat University

The Committee considered Two (02) New Micro Credentials and approved the same.

6.4.7. Haryana Knowledge Corporation Limited (HKCL)

The Committee considered One (01) New NOS and approved the same.

6.4.8. Healthcare Sector Skill Council

The Committee considered Six (06) Revised Qualifications. Out of these, Four (04) Revised Qualifications were approved.

One (01) Revised Qualification namely 'Phlebotomist' was approved with changes in entry criteria. One (01) Revised Qualification namely, 'Diabetes Assistant' was approved with changes in nomenclature as 'Diabetes Care Assistant' and also changes in entry criteria.

Additionally, the NSQC Committee has recommended that National Council for Vocational Education and Training (NCVET) undertake a comprehensive review of all caregiver-related qualifications within a period of three months and submit the report.

For qualifications such as Geriatric Care, which have overlapping relevance across multiple sectors, it has been advised that a stakeholder consultation maybe convened involving all the relevant stakeholders including Home Care Sector Skill Council and the Healthcare Sector Skill Council.

6.4.9. Hydrocarbon Sector Skill Council

The Committee considered Four (04) Revised Qualifications and approved the same.

It was further advised that for further Qualifications submissions on KaushalVerse, the qualification must have all the requisite compliance including updates in industry validations.

The Committee further recommended that a letter be issued to the Awarding Bodies stating that qualifications approaching expiry should be submitted 6 months in advance for reconsideration and approval.

6.4.10. Indian Iron and Steel Sector Skill Council

The Committee considered One (01) Revised Qualification namely 'Metal Fabricator - Iron and Steel' approved for a period of six months. Post that the Qualification may be reconsidered for extension subject to number of trainings.

6.4.11. Instrumentation Automation Surveillance Communication Sector Skill Council

The Committee considered Two (02) Revised Qualifications and approved the same.

6.4.12. Leather Sector Skill Council

The Committee considered One (01) Revised Qualification and approved the same.

6.4.13. National Institute of Rural Development and Panchayati Raj

The Committee considered One (01) New Qualification and approved the same.

6.4.14. Skill Council for Green Jobs

The Committee considered Four (04) Revised Qualifications and approved all.

The Committee further advised NCVET to review the Qualifications and explore the feasibility of merging “Cold Storage Entrepreneur” and “Solar Cold Storage Entrepreneur” into a single Qualification. The Committee also suggested examining provisions for a Joint Certification and Qualification development by Awarding Bodies.

6.4.15. Skill Council for Mining Sector

The Committee considered Four (04) New Micro Credentials. Out of these Three (03) New Micro credentials were approved. One (01) New Micro Credential namely, ‘Basics of Mining’ was not approved.

The Committee considered Two (02) New Qualifications and approved the same.

6.4.17. Tourism and Hospitality Skill Council

The Committee considered One (01) Revised Qualification, namely ‘Walk Tour Facilitator’ and asked NCVET to review the same and submit it for consideration in the forthcoming meeting of the NSQC.

6.4.18. West Bengal State Council of Technical and Vocational Education and Skill Development

The Committee considered One (01) New Qualification namely, ‘Seed Production and Processing Technician’ was approved with changes with correction in OJT and Practical hours.

AGENDA ITEM 07: Any other Agenda with the permission of Chairperson

7.1. Adoption of one (01) Micro-credential “Introduction to Artificial Intelligence (AI)” of DGT by SDN – Wadhvani Foundation.

- i. NCVET has received a request from Skills Development Network (SDN) – Wadhvani Foundation for adoption of one (01) micro-credential titled “*Introduction to Artificial Intelligence (AI)*”, pegged at NSQF Level 3.5 with 7.5 notional hours. The Developer Awarding Body (AB) for the

micro-credential is the Directorate General of Training (DGT), and the approved entry criteria for the micro-credential is “Pursuing NTC/NAC.”

- ii. SDN–Wadhvani Foundation has also submitted that the micro-credential is proposed to be offered to learners beyond the DGT/ITI ecosystem, with the objective of enabling wider access to foundational Artificial Intelligence (AI) skills for learners across various skilling programmes, including the SOAR Programme. In this regard, the AB has requested that the entry criteria for the said qualification may be modified to include other entry criteria aligned to NSQF Level 3.5, as detailed below:

SNo	Name of Micro-credential	Total Notional Hours	Approved Entry Criteria	Proposed Entry Criteria
1	Introduction to Artificial Intelligence	7.5	Pursuing NTC/NAC	Pursuing NTC/NAC OR 11th Grade pass OR Completed 1st year of 3-year diploma after 10th OR 10th grade pass and pursuing continuous schooling OR 8th grade pass with two years of NTC plus 1 year NAC/CITS OR 10th grade pass with 1.5 years of relevant experience OR 8th grade pass with 4.5 years of relevant experience

- iii. However, as per the Guidelines on Adoption of Qualifications by Awarding Bodies (2024), there is presently no provision for modification of the entry criteria of an already approved qualification at the time of adoption.
- iv. In view of the above, the following options are proposed:
- The adoption request of Wadhvani may be considered as an exception since, the AB is offering the course to a wider base of learners, free of cost.
 - The adoption request of Wadhvani may be considered and conditional approval may be accorded subject to directions to DGT to modify the entry criteria of the existing NC to make it broader, also enabling DGT to offer it to other learners.
 - The AB may be directed to bring a new qualification/NC and the same may also be included as part of SOAR initiative.

 **The Committee accepted Option (b), wherein the adoption request of Wadhvani**

Foundation may be considered and conditional approval may be accorded, subject to directions being issued to Directorate General of Training (DGT) to suitably modify the entry criteria of the existing National Curriculum (NC) to broaden its scope and enable it to be offered to a wider group of learners. Further, the same may be submitted as an Action Taken Report (ATR) for approval.

7.2. Extension of Validity of 63 qualifications being implemented under PMKVY till 30th June 2026

- i. PMKVY is a flagship scheme for skill certification, being launched to help Indian youth take up industry-relevant skill training to get better livelihoods. Components of this scheme include Short Term Training, Special Projects and Recognition of Prior Learning.
- ii. Based on the challenges faced in implementing earlier phases of PMKVY and the learnings gathered, the next phase of PMKVY, i.e., PMKVY 4.0 under the umbrella scheme of the 'Skill India Programme' is being implemented between FY 2022-2026. PMKVY 4.0 is being realigned with a core focus on making the existing skill ecosystem more flexible, swift, and geared to meet the current challenges and emerging needs through process simplification.
- iii. To ensure continuity in the implementation of trainings under PMKVY 4.0, a request has been received from the Ministry of Skill Development and Entrepreneurship (MSDE), to provide interim extension to 63 qualifications till 30 June 2026. However, out of 63 qualifications, 33 qualifications have either been approved in previous NSQC or are being placed in this NSQC. Accordingly, total of 29 qualifications are being placed for interim extension as per the list below:
